

We had a delightful passage
home in the Montreal, & often
thought of you during our
stay in London & Windsor &
wishing you both could have
joined us in some of our
excursions.

Is Ales Irish Rose still running?
Hope you are all keeping
well

With best wishes in which
wife joins

Yours as ever

Dick.

P.S.

Wife has just posted shoes
for Marjorie - hope they arrive O.K. & fit.
