The Assistant Private Secretary,
(Appointments)
Colonial Office,
London, S.W.1.

Sir:

Re 2 3 0 4 Appts.

I have for acknowledgment your letter of
15th. inst., with enclosures.

As Sir Arthur Currie has probably informed
you this application was made by me subject to existence
of provision for refund of whole or part of passage
money from Canada, in the event of selection under
the special scheme outlined in Memorandum submitted by
your Office to the Canadian Universities.

As no such provision exists, or is contemplated,
I must respectfully cancel the application for
appointment, and have to thank you for the courteous
and careful attention that you have given to the matter.

I am,

Sir,

Your Obedient Servant,
