

## A New Rugby League Formed in North End

### NORTHERN RUGBY LEAGUE ORGANIZED

Four Clubs to Compose New Association—F. C. Wagborne Elected President.

The Northern Rugby League, a new association in local football, was organized last evening at a meeting held in the Aurora Lee clubrooms. The league was formed to create more interest among the boys in the north end, and it was decided to make it a four-team league. All boys 15 years and under on the first day of October are eligible to play. The four teams who compose the new league are Aurora Lee, Minerva, Crescents and Fortia.

The following officers were elected for the ensuing year: President—Thomas Hook. Vice-president—F. C. Wagborne. Secretary—J. R. Mackenzie, 157 Colborne street. Phone 31. 419. Executive committee—B. Hatten, N. Galt, F. Lawton and one to be appointed.

The next meeting of the league will be held on Tuesday, Sept. 9, at the same place, when several important details regarding grounds, referees, etc., will be discussed and the schedule drawn up.

McMaster College will practice on the Aurora Lee grounds again this year until their own is put in condition.

A meeting of the Balm Beach Rugby Club will be held this evening in the club rooms, and all past year members and any new ones are invited to attend.

### MANN COP DATES MADE BY J. LALLY

Three Champion Teams to Play This Month at Vancouver.

CORNWALL, Sept. 2.—(Special.)—The Mann Cup, which was given for the first time in 1909, was made by J. Lally, a Vancouver A.A.A. team in regard to the severe challenges he received for that trophy and has taken the bull by the horns himself and made dates for three sets of teams as follows: Armstrong B.C. to play Sept. 8 and 15; Young Conservatives, Sept. 15 and 22; and the 11th and 29, according to the wishes of the holders, and Oak Bay team of Victoria, Sept. 22 and 29. Mr. Lally wired today that these dates would not suit, and that they would make their own arrangements to play Armstrong, Sept. 15 and 17. Mr. Lally wired back stating that they must play on the dates set or deliver the cup to the Armstrong Club.

### PADDY DUMPS MR. SIFTON BROCKVILLE HORSE SHOW

The Siftons Give Clever Exhibition of Riding—Two Races Decided.

BROCKVILLE, Sept. 2.—(Special.)—The Brockville Fair and Horse Show was again favored with fine weather today. There was a bumper attendance estimated at between 5000 and 6000. The horse races were the big feature. The deciding heat in the unfinished green race, carried over from yesterday, went to the Flea, the Cataract flyer. Dr. Johnson, Peterboro, finished second in the green race. Medium, Nanawane and Bill Dillon's Seely's Bay finished in the order named. The classified trot purse \$400 was easy money for Arthur Red, while the open running event, half mile heats, went to Regard S. Summary.

Classified race:

### TWENTY-ONE KILLED IN RAILWAY WRECK

(Continued From Page 1.)

set at "caution" instead of open. Both trains passed within a few feet of each other on the scene of the accident 8 minutes apart shortly before 7 o'clock. Eight minutes ahead of them was the first section of the Bar Harbor express and a local train due to stop at North Haven, three miles south of the wreck, led them all.

### Train Came to Stop.

Under the rules of the railroad, according to the official an engineer may pass a hand signal set at red after he has brought his train to a stop. This, according to the railroad officials, the engineer of the Bar Harbor express did, and then came to another stop about 100 feet on the other side of the signal, a mile north of North Haven. This opened the signal in the previous block, a mile away, and down a stretch of track, plunging thru the thick fog, came the White Mountain express, with the impetus of seven cars, baggage, day coach and five sleepers behind the engine.

Meantime Flagman C. H. Murray of the Bar Harbor train had gone back with the torpedoes, a distance, it was said, of 100 feet. The torpedoes went off, according to the officials of the road, and some of the train crew jumped. Then came the crash. According to statements, Engineer Miller was going at such a high speed he could not have stopped under 1500 feet.

### Shock Not Violent.

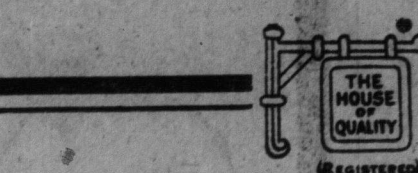

Passengers in both trains were asleep when the collision occurred. The White Mountain's engine, No. 1237, twin of the new Pacific super-heater locomotive that figured in the Stamford wreck of last June, plowed thru the cars as they had been so much paper mache. In the forward cars of the Bar Harbor, which consisted of eleven sleepers, there was panic among the passengers, but the White Mountain came to a stop so gradually, comparatively speaking, that many of its passengers scarcely realized that anything serious had happened.

For several minutes after the first shock there was silence, the passengers said, and then in the still morning air, sounded the screams of the wounded. Passengers from both trains turned out to the work of rescue. They found scores of the dead and injured strewn on both sides of the track.

### In the Same Boat.

The mistress of a wishing to offend her cook, who had been with her but two weeks, announced in a low, well modulated voice: "I am sorry, Ellen, but the master found fault with your cooking to-day." "Lord, I don't take no notice of 'im, mum, it's his blessed nature to find fault. Ain't he always findin' fault with you?"

### "INDIAN CHIEF" WON GOLD MEDAL

Sir Henry Pellatt's Animal Best Saddle Horse at Exhibition.

Indian Chief, a large and stylish chestnut animal of splendid conformation, owned by Sir Henry Pellatt, carried off the gold medal and diploma for the best saddle horse in the champion class before the grand stand yesterday afternoon. His performance at the various gait under the saddle was exceptionally fine. This was one of the best set up animals which ever appeared in a similar event at the Exhibition. In addition to winning these honors he took the red ribbon in a class carrying 100 pounds and over.

The list of prize winners in the different contests are as follows: Roadsters—pair matched, geldings or mares, trotters, 15 hands 2 inches and over—1, W. J. Crossen, Cobourg; 2, Miss K. L. Wilkes, Galt; 3, Ira A. Mabey, Aymer.

### AUSTRALIANS DISMISS WINNIPEG FOR SIX RUNS

Winning With an Innings to Spare—Great Crowd at the Game.

WINNIPEG, Sept. 2.—Winning by an innings and 55 runs, the Australians found the Winnipeg All-Stars easy, dismissing them in the first innings for 48 runs and in the second for the almost record low score of six runs, two of which were singles and four byes.

Macartney's stellar performance with the ball was the feature of the day's play, capturing no less than 15 wickets at the small cost of 14 runs. Crawford also bowled through both innings, taking six wickets for 25 runs. Mayne played beautiful cricket for his 58 not out, as did Cody for his 21. Bear and Price were responsible for the ten Australian wickets, each taking five, the former for an average of six runs, and the latter for 9.2 each.

During Winnipeg's second innings, when the telegraph board was registering six wickets for one run and interest was at its height, the two-tier stand on the west side of the ground, overburdened with excited spectators, collapsed without injury to any.

The largest crowd that ever witnessed a cricket match in this city attended the match, fully 1200 people seeing the procession to and from the wicket of the local talent.

### TAX REFORMERS GATHERED

(Continued From Page 1.)

contain a statement explaining that in the west actual single tax was not in operation, was passed unanimously. The circular will be published before the session opens this fall, and the suggestion has been made that some member of the league should read it aloud to Sir James Whitney. All the members of the legislature will be furnished with a copy.

Reports from the various provinces in eastern Canada indicated that the movement is rapidly gaining ground, and that the business men are favoring the gradual removal of taxes from improvements, business and income.

The speakers elected for the new year are as follows: President, Charles Hopewell, ex-mayor, Ottawa; Vice-presidents, Ontario, William Southam, Ottawa; Quebec, Romeo Langlois, Quebec; Nova Scotia, A. M. McGregor, New Glasgow; by mail, D. B. Jaque, Toronto; secretary, A. B. Farmer, assistant secretary, Sydney; treasurer, W. A. Douglas, J. J. Carroll, James B. Brown, Milton, Kan.

## Six Heats at Hartford Race Still Unfinished

### EXCELLENT PERFORMANCE SHOWN BY FRANK BOGASH, JR.

Judges Say That None Better Has Ever Been Shown.

### CANADIAN FRUIT HIGHEST QUALITY

Dr. Merritt of St. Catharines is Exhibiting Some Luscious Samples.

This year's exhibit of Canadian fruits in the horticultural building is the best both as to quality and the number of exhibitors, in a good many years; so said the half dozen expert fruit growers appointed to judge the fruits after examining the exhibits and making some of the awards yesterday afternoon.

Compared with last year there are many more varieties of fruits, and they are of a much better quality. In the apples, grapes and peaches is this fact especially noticeable; from the hard greenings, the best in the world for cooking purposes, to the most delicious specimen of strawberry apple, every specimen has half a dozen exhibitors, and they are all splendid.

Dr. Merritt of St. Catharines has on exhibition an especially fine sample of black and white grapes, according to unofficial reports these are the finest that have ever been shown here.

W. J. Fuminger of St. Catharines took first prize in the plum exhibition of 15 samples, with splendid varieties of yellow, blue and red specimens, all of perfect size and formation. Mr. Fuminger also took a first with some beautiful specimens of large blue grapes.

Considerable interest centres around the peach exhibits, for this prize of Canadian fruits is on exhibition in large quantities this year, some of the largest, most inviting, sun-tanned varieties the Canadian Exhibition has ever had.

The judges of the fruits are S. Richardson of St. Catharines, R. Cameron of Toronto, and R. Thompson of St. Catharines.

"He Was Sure," said a smart lawyer, "do you, on your oath, swear that this is not your handwriting?" "I reckon not," was the cool reply.

"You take your oath that this writing does not resemble yours in a single letter?" "Yes, sir." "Now, how do you know?" "Cause I can't write."

Winning the Twelve Pace After Dropping a Heat—Another Trotter Joins the List.

HARTFORD, Conn., Sept. 2.—The second day's racing at Charter Oak Park by the Grand Circuit horses was featured by the excellent performance of Frank Bogash, Jr., and a hard fought race in the 2:20 trot, which had to go unfinished after six heats. Murphy put Frank Bogash, Jr., thru in the Nutmeg Stake, after the gelding dropped the first heat to Leata J., it being a fight all the way between the mare and the gelding.

The 2:20 trot produced a new 2:10 trotter in James V., who captured the first heat after six heats. Bogash, Jr., was a hard fought race in the lead until the fourth heat, when he was out with a burst of speed that the rest of the field could not touch.

The gelding had things much his own way in the third heat, but in the fourth, Murphy found himself well back when the stretch was reached, being forced to go to the outside to come thru, and the nobly, beating out Leata J. in a whipping finish.

James V. surprised the onlookers when he turned in a winner of the first heat of the 2:20 trot, and placed himself among the season's list of 2:10 trotters, but after that he showed little until the sixth heat, when he finished the fifth heat in the lead, with Derby Boy trying to make it, and he seemed sure to land in the sixth, but again Cox surprised the stands by taking issue with Ruth McGregor and he captured the heat and forced the race to go over until tomorrow to be finished.

Honnie Sater made the going in both heats of the Juvenile 2:20 Pace, but in the year-olds, only to be caught and passed in the stretch by Hollywood Ben, Dodge having no difficulty in piloting home the stallion.
