THE undersigned, having a second class Normal School certificate of 1853, and being a graduate of a Theological Seminary in 1858, and a licensed preacher of the Baptist Church, 41 years of age, wishes some moderate employment as a teacher. His health at present not permitting him to preach, or to undertake the full duties of a teacher, he would be glad to procure a small school, and to teach only 3 or 4 hours a day. A moderate salary would be accepted. This affords an opportunity of obtaining a teacher of 10 years' experience, on easy terms.

JOHN SIMMONS.
