CORRESPONDENCE SOLICITED.

The Standard Dry Kiln is the Kiln that will meet your requirements; no matter what they may be. It will dry anything from green Cypress Shingles to the finest Cabinet Hardwoods. This is possible because The Standard is a Moist Heat Drier in which the degree of temperature and humidity may be varied to meet the needs of any kind of stock.

Free Booklet Giving a very plain and understandable description of this Kiln will be mailed you on request. It will certainly be worth your while to read this little book before investing in any other kiln. The Standard is all that could be desired in a Dry Kiln, and NEVER disappoints. Write us.
