GRANT ASKED FOR STOCK FAIR PRIZES

Breeders Are Hopeful After Interview With the Ontario Cabinet.

A deputation of live stock breeders interested in the Toronto winter fair, waited on the Ontario cabinet yesterday, asking for an annual grant of \$30,000 for ten years towards the prize lists. The request met with sympathy, although the ministers were at first inclined to cut the amount, and the members of the deputation left feeling satisfied that their request would be granted. A definite reply will be given on Tuesday next.

Premier Drury raised some objection to the first amount, feeling that if the show became self-sustaining the government would not then be asked to contribute. He also took exception to the provision that if the profits exceeded \$10,000 at any time the surplus was to be divided by the Winter Fair Association to encourage smaller contributors shows in other parts of the province.

This was met by the suggestion that Hon. Manning Doherty, who will be a member of the executive, should direct the division of the surplus.

Minister Takes Exception.

Hon. E. C. Biggs, minister of public works, took exception to the arrangement by which Toronto—which is to provide \$1,000,000 for the buildings for the fair—is to receive \$10,000 annually for lighting, heating, etc. He thought Toronto should be generous enough to give that without any strings. It just meant, he said, that there were millions coming into the city of Toronto. The exhibition more than met all the animal expenses, and the city made a handsome profit.

George Pepper said the cost of maintenance was a serious item. The Fair Association was escaping all expenditure for lighting, heating and care. Toronto, he argued, had offered far more than any other municipality.

Mr. Biggs insisted that since the Canadian National Exhibition was going to use the buildings the city was getting a pretty good thing out of it. The lighting, etc., was only a trifle.

W. A. Dryden joined in the argument, but Mr. Drury headed it off by suggesting the fluctuating amount again.

Messrs. Dryden and Pepper explained the plans of the association by which the funds were being raised. The federal government was prepared to give \$30,000 towards prizes and a similar amount was being sought from the Ontario administration. The prize total would be \$75,000 or only slightly under that for the great Chicago live stock show.

TORONTO LOSES NOTABLE CITIZEN
Alexander Patterson, Founder of Sick Children's Hospital, Called by Death.
Toronto yesterday afternoon lost one of her most highly respected citizens and Canada one of its most notable Masons, in the person of Alexander Patterson, 23 Parkwood avenue, who died at his residence at the advanced age of 85. Mr. Patterson had been ailing many months. His daughters were at his bedside as he passed away. The funeral will be held on Monday from the residence to Mount Pleasant Mausoleum.

Alexander Patterson was born 85 years ago in Belfast, Ireland, was among the most noted and aged of Toronto's residents, and in his death passed away a life well spent in the history of the great Ontario city.

With the late John Ross Robertson, Mr. Patterson was one of the founders of the Sick Children's Hospital, and had been a member of the International Union of Street Railwaymen in Toronto, of which the former is treasurer and the latter business manager. Controller later business manager.

Rev. J. S. Woodworth of Vancouver and Winniepeg fame, who is on trial in Winnipeg for alleged sedition, was a visitor in Toronto yesterday and gave an address upon the Winnipeg situation and the strike at Occident Hall last night, touching at some length upon the work of The Western News, of which he was editor, following the arrest of Rev. William Ivens.

I.L.P. HOLD CAMPAIGN MEETING.
Wards five and six of the Independent Labor party held a well-attended combined meeting last night at Royal Templar's Hall, Queen street and Dovercourt road, and organization was considered for the ensuing campaign on behalf of Charles Clay and H. The money was left to him by W. Hudson, a millionaire of Michigan City, who died recently. Sergt. Driscoll served overseas with the 2nd Battalion, and while in France he acted as batman to Lieut. Hudson, son of the millionaire.

CANADA RULED BY WALL STREET
Rev. J. H. Woodworth of Winnipeg fame, addressing the central council of the One Big Union at Occident Hall last night, stated that there was something back of the Winnipeg strike. This something was the determination of the workers to secure not a little more of what they produced, but all. The fate of the entire labor movement, he said, stood in the balance, and if the O.B.U., socialists or other labor organizers were to be sent to the penitentiary, labor would suffer irreparable damage. Canada, said the speaker, was ruled by Wall street and its pernicious interests.
