To Mr. Fullerton Mr. Fleming stated that he was not an applicant for the position. He had never used any corrupt influence and had not canvassed any of the aldermen for votes. The offer was made by the Council to him. When speaking with Ald. Burns he was not canvassing, but simply talking over general matters. If he had known that \$4000 was the most the Council would offer he would not be in the position now.

AT COOKE'S CHURCH.

Yesterday Rev. Mr. Robertson, the Glasgow revivalist, concluded his discourses to the congregation of Cooke's Church. In the morning, founding his remarks upon the new song that the chosen shall sing in Heaven, he pointed out that men are put into this world to practise this hymn of love and praise to the Most High, and he further averred that until Christians were able to take the last difficult high note they would not be considered fit to join the eternal choir.

AN ITALIAN IN TROUBLE.

There is considerable excitement in Lindsay over the case of Ignatio Cosentino, an Italian fruit vendor, who is charged with committing a brutal assault upon 6-year-old Ethel Peacock, the daughter of a laborer who lives next door to the Italian's cottage, near Lindsay railway station. The preliminary hearing of the case took place Saturday, and Cosentino was committed for

trial.

Mr. Michael Basso of Toronto acted as interpreter on Cosentino's behalf. The prisoner says he is not guilty, and that he is the victim of a blackmail scheme. He is about 25 years of age, and knows but little of the English tongue. He came to Canada with his wife and three children not long ago, but within the past few weeks he sent his family back to Italy, where he could support them more easily.

Cosentino has influential friends in Toronto, who will support him with the Toronto, who will support him with the best of counsel when the case comes for trial before the county judge.
