Estelle Allows Five Hits, Two of Which Are Scratchy Ones.

BRANTFORD, Sept. 10.—Brantford Red Sox trimmed the Toronto Leafs here this afternoon in handy fashion, 5 to 1. The Leafs could not hit Estelle, who allowed only five hits, two of which were of the scratchy order. Estelle was also backed up by some fancy fielding. "Bugs" Hersche went the full route for the Leafs and used a slow ball freely. A crowd of 800 watched the pastime, rain having stopped just before the game started.

"POP" GEERS WILL LIVE BUT WON'T RACE AGAIN

STRATFORD, N.Y., Sept. 9.—Edward "Pop" Geers, dean of grand circuit racing drivers, who was removed unconscious from the state fair grounds to a hospital yesterday after his horse had crashed through a fence, regained consciousness this morning. According to his physician he suffered a broken left collarbone, several bruises about the left arm, shoulder and back and a slight concussion of the brain. He will live.

Both Geers and "Pat" Chierri, Canadian driver, will be out of the harness racing game for the season. Chierri sustained a fractured leg while driving Amardale in the third race, the horse throwing him at the half-mile turn.

Dr. Andy Scott Drives 120 Yards Onto Green and Into Cup.

Dr. Andy Scott turned in a splendid card yesterday afternoon at the London Hunt and Country Club in his golf match with F. R. Martin of Hamilton. The London club entertained 32 members of the Hamilton golf club and met defeat at the hands of the visitors from the Ambitious City, but Dr. Scott's performance was the feature of the afternoon's play. He turned in a score of 72 for the complete round and performed the remarkable feat of taking one of the holes in one. His drive was ball rolled into the cup. His opponent, F. R. Martin, is a former champion of Canada, and the match was a most interesting and keenly-played one.

Final Mint League Contest Prevented by Rain Yesterday—Today's Exhibition With Leafs Ends the Baseball Season Here.

BY BERT S. PERRY.

Rain prevented the concluding contest of the Michigan-Ontario League at Tecumseh Park yesterday afternoon. The heavy showers in the morning wet the grounds considerably, although by game time the teams could have performed well enough according to Groundkeeper "Dad" Roberts, who spent most of the afternoon putting dirt on the damp parts of the diamond. But the athletes were well content to lay off. Frank Shaughnessy and his club took their departure by an early afternoon train. The London players will remain over today and play the Toronto Leafs an exhibition game and then they too will bid the city goodbye for this year, at least.

A Remarkable Season.

The season just closed has been a remarkable one in many ways for the London club. This city was never represented by such a rotten team as started the season rolling here. London, usually one of the pennant contenders, was mired deep at the foot of the standing and the Tecumseh team remained until over half the season had expired. When the team finally got off of last place as a result of being rebuilt, it was as good as any in the league, it was too late to get in on the pennant fight. The best it could hope for was a berth at the top of the second division. Despite this, London fans have turned out during the season like the old days when the boys were battling Ottawa for the old rag. This city demonstrated that it is as good a ball town as any in the world its size and a lot better than many cities twice its size. Give London a pennant winner and Tecumseh Park will not be big enough to hold the fans. This city is ripe for a champion, and next year the club owners should start out with that idea.

Shag Is Through.

Frank Shaughnessy, before leaving here yesterday, declared that this will be his last year in professional baseball. Shag has filled it of this season, and he has sworn off. He claims that his players were the biggest collection of "nuts" that ever a baseball manager was burdened with. When Morrisette started the season rolling here, London, usually one of the pennant contenders, was mired deep at the foot of the standing and the Tecumseh team remained until over half the season had expired. When the team finally got off of last place as a result of being rebuilt, it was as good as any in the league, it was too late to get in on the pennant fight. The best it could hope for was a berth at the top of the second division. Despite this, London fans have turned out during the season like the old days when the boys were battling Ottawa for the old rag. This city demonstrated that it is as good a ball town as any in the world its size and a lot better than many cities twice its size. Give London a pennant winner and Tecumseh Park will not be big enough to hold the fans. This city is ripe for a champion, and next year the club owners should start out with that idea.

Reported Price Paid Is Said To Be \$1,200—Will Pitch Today.

Frankie Okrie, the London club's star southpaw, has been sold to the Detroit Tigers. The deal was made yesterday night, the Detroit club wiring its acceptance of the price asked. It has not been given out yet by the London directors, but it is stated on good authority that the price paid for the pitcher was \$1,200. Okrie will pitch against Toronto today, and will be opposed by Bobbie McWhorter. The London team will disband tonight, following the game.
