## CATCH 2 BOY BURGLARS WHO RANSACKED HOUSE

Aged 9 and 10, They Had Professional Kit and May Have Achieved a Record.

Herbert Abraham, 9 years, 261 West Richmond-street, and Earl Baxiam, 10 years, 246 West Richmond-street, enjoy the distinction of being perhaps the youngest fully equipped burglars ever taken in Toronto. Arrested for theft of a bicycle they are now charged with housebreaking.

On the night of May 28 the twain entered the unoccupied house of John Thompson, 131 Elmwood-street.

Baxiam cut away the putty from a pane of glass and they crawled thru. They ransacked the house and carried off a pair of field glasses, a collection of coins, some picture postcards and a number of silver spoons. They left behind them a diminutive burglar's "kit," a hammer and a brace and bit.

The glasses, which are worth \$10, were recovered by Detective Ryan. They had been sold for ten cents.

## LADY TUPPER VERY LOW.

Presbyterian Minister Kills Himself at Albern, B. C.

VANCOUVER, B.C., June 8.—Lady Tupper is very low. She is very aged and may not recover.

Rev. J. R. MacLaren, Presbyterian minister, committed suicide at Albern yesterday. He had for two years been employed in the government office at Albern. He blew one side of his head off with a gun. A son from California is coming to visit him on Wednesday.

Hughes Triles Again.  
ALBANY, June 8.—Governor Hughes sent to the extraordinary session of the legislature to-night his long-anticipated special message recommending for consideration "the enactment of suitable legislation for the prevention of race-track gambling." He also recommends the enactment of "suitable legislation with regard to diseases of cattle, especially tuberculosis."

## SARNIA CELEBRATES BOURASSA'S VICTORY

Liberals Had Anticipated Carrying the Town by 150, But It Went Tory for First Time.

SARNIA, June 8.—(Special.)—To celebrate Sarnia for the first time in its history going Tory, the people turned out in myriads throngs and formed a procession that paraded the main streets.

The Liberals at their last public meeting boasted they would sweep the town with about 150 majority, and when these anticipations were not realized the people, to crown the agony, assembled in Public Square and there Hon. Mr. Hanna addressed them, the procession following.

His victory is popular and the voters do not hesitate to proclaim the fact.

## WILL SERVE FIVE YEARS.

Vigorous Treatment for a Desperate Criminal.

STRATFORD, June 8.—(Special.)—William Pepper, who pleaded guilty to a charge of indecent assault upon Miss Kennedy near the latter's home, was today sentenced to fifteen months in Central Prison.

As Pepper is a ticket-of-leave man with 3 years, 10 months and 21 days to serve, and having broken his parole, Judge Barron decreed that the prisoner should serve the full term at Kingston Penitentiary, which practically means a five-year sentence.

Pepper, who is an old pal of Foxey Smith, pleaded that he was drunk when he committed the assault, which was witness in design. Miss Kennedy, a victim, still suffers from nervous prostration.

At a meeting of South Perth Orange men here to-day, it was decided to hold the annual celebration on July 12 at Listowel. County Master Walker states that preparations will be made to have the celebration the most pretentious in Western Ontario.

## Ran Out of Ballots.

ROSEBATH, June 8.—The elections here to-day furnished an interesting incident. Returning Officer McMillan was only provided with 150 ballots. As the day wore on it became apparent that there were not enough for there are 200 odd voters who live in this part of the West Northumberland riding. The lack of ballots caused great indignation among the voters, and things became so warm that Returning Officer McMillan determined to hold the poll open another hour and get more ballots printed.

## COUNCIL DIDN'T RATIFY FIRE HOSE CONTRACT

By Overwhelming Majority Controllers' Recommendation Sent Back—Other Business.

By a vote of 14 to 4, the city council yesterday voted to refer back to the board of control for more information the recommendation that the Gutta Percha Company be given the contract for hose for the fire department.

The motion to refer back was moved by Ald. McBride, with Controller Spence as seconder. Ald. McBride pointed out that the Canadian Rubber Company's tender for \$12.4 inch hose was about \$1000 less than its competitor's.

Controllers Harrison, Hocken and Ward and Ald. McBride alone voted to uphold the contract.

Controller Spence gave notice of motion to appoint A. C. Henderson, Foster, Bredin, Keeler and Adams as a special committee "to consider and report upon the question of the wisest, most useful and most effective method of dealing with the influx into Toronto in the fall of the year of men out of employment who are not citizens, the management of relief work and remuneration therefor when such work is necessary, and other matters relating to such conditions and emergencies as occurred last winter when the city was called upon for special grants of money for charitable purposes."

After a prolonged debate, and the hearing of deputations pro and con, council voted for the extension of Woodlawn-avenue to the north city limits.

The city engineer and assessment commissioner were instructed to report on the extension of Temperance-street west to Sheppard-street.

A bylaw for the paving of Harbor-street, from Yonge-street to Bay-street, with vitrified block, was forced thru in opposition to the wishes of the ratepayers concerned. A two-thirds vote was required, and the vote was 15 to 4. The cost is estimated at \$5000, of which the city is to pay \$2000.

A petition signed by more than 100 residents of the vicinity asked that the city take some land on the west side of Park-avenue, and bounded by Park-avenue and Antler-avenue on the south be set aside as a park and recreation ground.

A petition in opposition to the opening of a street or lane between Macdonell-avenue and Lanedown-avenue, immediately north of 177 Macdonell-avenue, was received.

A resolution thanking J. Ross Robertson for the large lot of paintings of the city presented to the corporation by him was passed on motion of Controller Harrison, with Controller Ward as seconder. Mr. Robertson has already presented to the city paintings of Toronto in 1793, 1815, 1827, 1834, 1848 and 1854. A painting of Toronto in 1824 was also presented by Mr. Robertson within a few months.

## BOURASSA'S VICTORY WORRIES THE LIBERALS

Hard to Hold Quorum in House of Commons as Ontario Returns Came In.

OTTAWA, June 8.—(Special.)—Interest in the provincial elections so common in the province shadowed the proceedings in parliament that it was with difficulty a constant quorum was maintained in the house, especially during the evening sitting, when the election returns were being received.

Mr. Bourassa's triumph in Montreal seemed to give the government supporters more concern than all the other adverse results of the contests combined. They evidently regard his election as a serious blow to Sir Wilfrid Laurier's prestige, and the success of the Liberal compact in Quebec.

It is recognized that Mr. Bourassa's influence in the Quebec Legislature must be a serious disadvantage to the forces which have combined to render Sir Wilfrid Laurier's tenure of office secure in Ottawa.

**A Decisive Victory.**  
The victory in Ontario has been even more decisive than was hoped for, and proportionate to the disintegration of the Liberal compact in Quebec.

Premier Hazen of New Brunswick, who is here in connection with a double subsidy claim for the New Brunswick Coal & Railway Co., expressed satisfaction with the result as a further indication of the set of the current of public opinion towards the Conservative party.

"The result of the provincial campaign in Quebec," said F. D. Monk, "seems to me most encouraging. The opposition put up a splendid fight with great odds against them. It is a splendid victory for the Godin government and for Mr. Gouin himself—the final knock-out of the Liberal compact in Quebec. The results of this election will be far-reaching. The men elected to oppose the present administration will be a splendid account of themselves in the legislature. Mr. Bourassa's success is truly phenomenal."

## PYNE CARES NOT HOW FOR ENEMY'S ATTACK

Magnificent Support Given Him by the Electorate an Answer to Them All.

Conservatives in the east end were in a happy mood last night, that is, those who were on the right side of the elections, and many of them didn't even take time to eat, so interested were they in the way the country was endorsing the government candidates.

They broke into cheers as the chairman called each Conservative win, and they had many opportunities. Liberal gains and successes were taken with a good grace, because it was the unanimous opinion of the crowd that a few seats could be spared.

When Hon. Mr. Pyne rose to address the meeting a great roar of applause greeted him and it was some minutes before he could be heard.

He said he did not know how to thank the Conservatives for their continued support, and referred to the gain all over the province, remarking that pretty soon the house would be so loaded that it would fall over on itself.

"I have been receiving some attention from Alex. MacKay in his sermons, but as long as I have the support of the people I care very little for the slander of our opponents and consider my majority a good answer to them, and I can laugh at anything MacKay will say."

"I look up to T. R. Whiteside as a man of integrity and honor," went on the minister, "and all I can say is that I am always ready to see any of you when you wish."

**His Happiest Day.**  
"This is the happiest day of my life," said T. R. Whiteside as he rose to speak "down in Massey Hall on Friday night I told the people I felt competent, but I feel a great deal more so now."

"Dr. Pyne has stuck close to me all day," he went on, "and we have had a great day."

"I don't want to say anything against Russell, but the Liberals turned around to him all right, and he had Dr. Pyne's former opponent work against him. I feel very proud to represent East Toronto and I can assure you I have no swelled head because I am now an M.L.A."

Wm. Fitzgerald expressed gratification at the result, the he was disgusted at the way the election had been conducted, but he was very glad to see those behind Joe Russell he didn't want.

Ald. Sanderson said he was pleased to have stood behind Mr. T. R. Whiteside, and he had worked hard for him. He wanted no more nomination. Mr. Russell was an honest gentleman, and if he had been the nominee he would have supported him, but Mr. Whiteside would have supported him too, and if Mr. Worrell and his 21 delegates had not been there, Mr. Whiteside would not have been against them. This is the first council meeting I have missed, he said, but I did so to-morrow.

**Russell Not Disheartened.**  
"Joe" Russell is not at all disheartened, and neither are his supporters. In fact, the East Toronto Conservative Association members are congratulating themselves on over the machine.

In his committee room, 707 Queen-street, last night, when he was thoroughly convinced that the Whiteside was elected, Mr. Russell climbed upon the counter and said:

"I made a good fight, boys, but the odds were against me, but I'm glad we've got a cheer left (cheers were given) and you look at the pull and realize the odds we were up against. They had all kinds of things arranged against us, but we have won, boys, and tin cans, and we are still in the ring, as some people will find."

"I might be able to talk for ninety seconds longer," he went on, "but there is nothing to be said, and I thank you all from the bottom of my heart for the way you have stuck all this."

George Gilmour, president of the East Toronto Conservative Association, remarked that the members would have to get busy and increase the membership of their young association from 400 to 1200, and then they would see about the federal elections.

S. R. Heakes said: "We want to start to-morrow and organize for the federal fight. Clear politics and we are going to stay, and let me tell you that inside of a month there will be no patronage address in East Toronto."

"What else could you expect?" said Mr. Worrell; "three months against thirty years; all you Conservatives would see about the federal elections. We were trying to elect Joe Russell; we were trying to clean up the party, and we're doing it."

## THREE YORK RIDINGS SHOW BIG CONSERVATIVE GAINS

Vote in Suburbs Was Very Large—Lennox Gets Fine Reception—Notes of the Fight.

—EAST TORONTO, June 8.—(Special.)—The town is wildly enthusiastic tonight over the magnificent victory won by Alexander McCowan, the candidate in the Liberal-Conservative interest in East York, and his arrival at the Conservative committee rooms was the signal for a great demonstration. In the early part of the evening Mr. McCowan heard the returns in The World office, where he was greeted with a volley of cheers, and warmly complimented on the result. Accompanied by a band of Scarborough and East Toronto stalwarts Mr. McCowan then visited the town, being met by the town band and scores of citizens.

At the committee rooms, where Mayor Walters was master of ceremonies, the member-elect gave a short address, in which he thanked his friends and generous supporters for the magnificent majority rolled up for Premier Whitney and the cause of good government in the city.

He was cheered again and again. Dr. Walters, Mayor McMillan and a number of others spoke briefly. During the evening an immense crowd gathered around the committee rooms, where the returns as received were thrown upon a screen.

Mr. McCowan's victory is a most popular one and the majority—223—is given in the largest in the history of the town. Mr. McCowan's majority at the last election was 402.
