Heavy buying for New York interests was responsible for the advance, for any increase in the dividend rate had been fully discounted last week. It was rumored on the street that the Lewissohn interests were behind the movement and under heavy demand for the stock, the shares sold up rapidly to ten dollars, making heavy demand for the stock, the snares sold up rapidly to ten dollars, making most of this advance during the afternoon when the stock was picked up at about any figure. At the top figures considerable short selling and profittaking was encountered and the price slummed to \$9.72 closing six points. lumped to \$9.72, closing six points

With attention everywhere centred in the Kerr Lake movement, the other se-curities were somewhat neglected. Prices in the majority of cases remain-Prices in the majority of cases remained decidedly firm, the quotations were spotted at the close. Beaver, Little Nipissing. Rochester and Peterson Lake were the speculative favorites in this section of the market, but prices changes were narrow and call for little

comment.

"La Rose was quiet at \$4.86, closing two points lower, while Crown Reserve was in little call, and maintained between \$4.10 and \$4.05, closing at the lat-

Predictions Verified

We have stated without reservation that the Cobalt market would strengthen with the new year. Yesterday's movement in Kerr Lake is but the beginning of the inevitable rally. We do not expect any general sudden advance, but the technical position of the market is undoubtedly favorable to present We know of several stocks which we think will advance

Sentence Day in Sessions Court Brought Some Surprises-Bank Robber Got Ten Years.

unhappily for a number of the prisoners who, convicted at the recent sessions, lined up before Judges Winchester and Denton in the sessions court yesterday morning for sentence. Terms behind the bars were imposed ranging from 10 days to 10 years, the longest period being inflicted on Victor Syzmonski, a Galician, the confessed participator, in the robbery of the Rainy River branch of the Bank

of Nova Scotia last fall. One Year Each. For circulating indecent and demoralizing books, pictures and literature, L. J. Skill and J. C. King were given a year each in prison. The sen tence came as a thunderclap after the high sounding address of counsel in the case when the men pleaded guilty. Then it was made to appear as if the matter were merely one of adjustment and the heavy sentence was a complete

The books in question were large medical works which circulated in proper channels were admitted to be perfectly permissible; many others of them, while broad and even vulgar tone, have come to be considered as classics, but it was the manner of cir-culation which led to the prosecutions, as the wares were advertised in a way to appeal to the lowest in a class of readers for whom they were never in-In delivering sentence Judge Win-

chester denounced the prisoners in scourging language, pointing out that one young woman had left their em-ploy rather than typewrite the things which had been asked of her. The case was a unique one. Prose

cutions have been made here for seiling and circulating obscene postcards, but the case of books has been much rarer and another point which led to wide remark was that the men had been allowed to carry on the business for years before they were appre

Younger Captains for Big Liners. NEW YORK, Jan. 3.—The racking anxiety of speeding its big express steamers across the Atlantic will be put by the Cunard line in future upon men younger in the service. The er men will be given the slower ships, tho their pay will be increased.

Severe Earthquake Shock. se us at once.

An earthquake of unusual severity was recorded on the seismograph at the Toronto Observator, at 6.20 Saturday morning, the vibrations lasting till 8.10. The distance registered was about 1750 miles. The distance registered was somewhere in Central America. The shocks were so strong that they went beyond the limits which the apparatus will record. and-over \$11,00 the twelve m equipment and Prof. Wm. Arnold syears occupied ment interpret Theological Seer on philosophicts, died to-design to the control of t
