MISSION STEADILY SECURING FUNDS

\$12,000 Objective of Baptist
Educational Union Com-
ing to Hand.

CHURCH FOR QUEBEC

The \$12,000 objective of the Mis-
sionary Educational Union of To-
ronto Baptist Sunday schools is be-
ing steadily secured, according to the
statement of Fred Gerred, one of the
organization's most active workers,
The World yesterday. It is expected
that the new bi-lingual Baptist church
will be opened at Hull, Quebec, within
the next few weeks, in charge of Rev.
J. Bourcier, formerly a clergyman of the
Catholic church, converted to the
Baptist faith.

The Hull church, which was formerly
the Walker homestead, a massive
brick dwelling, was secured for the
sum of \$4000, and is admirably
suited for the work. It is also intend-
ed to open a farming district in the
Laurentians, in which there is only
one Anglican church, as soon as possible.

In connection with the union there
are 34 of the Baptist Sunday schools
in the city co-operating and the work
founded by S. J. Moore is being actively
carried on by the following members:
J. C. Roberts, president; Fred Gerred,
J. C. Covey, A. E. Jordan, Elvin
Bourcier, Miss Adelaide Miss Simp-
son and Miss Laine.

The interprovincial committee are
arranging to spread the work in the
Niagara peninsula, Brantford, and
other districts. The objective of the
union for next year is already being
decided as Cocanada, India.

JUVENILE SKETCH WINNERS.

The winners in the juvenile sketch
competition in connection with the
recent Riverview Lodge, I.O.O.F., con-
cert, held in Allen's Danforth Theatre,
were Lawrence Holley, first prize, \$5;
Guth-Harbor, second, and Clarence
May third. The presentations were
made by William Hare, captain of the
third degree class of the lodge, and
the presentation of a large box of
cigars to Manager W. G. Jennings
by the officials of the lodge, in
grateful appreciation of the good
work. An audience of 1200 were present
and over \$500 was realized for the
benefit fund.

MOTHERS' DAY IN WEST TORONTO

Lambton M.E. Methodist Church
celebrated Mothers' Day in the morning
by the Ladies' Auxiliary taking
charge of the service. Mrs. Gordon
Hallet and Mrs. J. Tyre giving ad-
dresses. There was also special ser-
vices in the afternoon and evening.
At 15 children, the first prize, \$5;
Guth-Harbor, second, and Clarence
May third. The presentations were
made by William Hare, captain of the
third degree class of the lodge, and
the presentation of a large box of
cigars to Manager W. G. Jennings
by the officials of the lodge, in
grateful appreciation of the good
work. An audience of 1200 were present
and over \$500 was realized for the
benefit fund.

Holiness Gospel Hall Makes Excellent Progress

Good progress is being made by the
Holiness Gospel Hall building com-
mittee, in the erection of their new
building on the southeast corner of
Queensdale and Pape avenues. The
site, which is 50 feet frontage by about
100 feet depth, was recently purchased
by W. N. McEachern & Sons,
Limited, real estate agents, at \$40 per
foot, and the section which was formerly
the John-Hopkins market garden
is now almost built up solid.

CELEBRATE MOTHERS' DAY

"Mothers' Day" was duly observed in
all the "Earls Court" and district
churches on Sunday, large congrega-
tions being present at all of the services.
White and red roses and carnations,
predominant, and special hymns and
anthems were rendered by church
choirs appropriate to the occasion.

BOY SCOUTS MARCH TO CHURCH

The Earls Court Boy Scouts, in charge
of Scoutmaster Bert Lindo, paraded
and marched to St. Charles Church for
the Sunday morning service. The
local Scout troop is stronger numerically
for the size of the district, than the
boys' looked smart and capable and
well drilled as they marched along St.
Clair avenue to church.

MORE HOUSES NEEDED

According to the statement of Reeve
F. H. Miller of York Township Council,
there are four houses in the township
100 vacant lots in the township and
20,000 residents in the western section.
Building permits for homes are steadily
on the increase.

DON MILLS Y. P. SOCIAL

Under the auspices of Don Mills
Methodist Ladies' Aid Society, the
young people of East Queen Street
Presbyterian Church gave a pleasant
social entertainment in the Sunday
evening. A feature of the evening
was the skit comedy performance
entitled "A Mock Trial," which was
well received. Rev. W. H. Adams,
pastor, presided, and there was a good
attendance.

\$15,000 FOR ATHLETIC FIELD

In connection with the new Green-
wood athletic field, \$15,000 will be
spent on the lay-out by the city
council, this year.

YORK COUNTY AND SUBURBS

RECTOR APPEALS FOR BETTER PAY

St. Chads Offortory increases
While Stipend Remains
Stationary.

"At St. Chads' Anglican Church,
North Dufferin street, on Sunday
morning, the rector, Rev. A. J. Reid,
made special reference to the condi-
tion of the finances of the church, and
especially to his own stipend. Read-
ing from a comparative statement,
Mr. Reid showed a gradual increase in
the Sunday offertory for the first
17 weeks of the year 1918 of \$250.15;
\$742.37 in 1919, and \$875.40 in 1920. It
is the contention of the rector that
double stipends have been increased
with the increase in the finances con-
tributed to St. Chads, and he asked
the congregation's sympathy and con-
sideration, at the same time pointing
out the decrease in the value of the
dollar since he first became rector of
the church to the present time, and
that his salary then was worth only
\$500 now.

Grateful to Press.
Mr. Reid supported his statements
by quoting passages of Scripture, and
also read a clipping from a Toronto
daily editorial, and desired to publicly
thank the secular press for bringing
before the people the entirely inade-
quate salaries of the ministers of our
churches.

Mrs. Reid, succeeded, Rev. Harold
Smart about two years ago, and since
he has been rector many improvements
have taken place, large congregations
attending the services and extensive
alterations have been made to the
church.

WESTON FAIR BOARD

Decide to Move Buildings and Beau-
tify Grounds—Buy Park
Also.

At a meeting of the Weston, York
and Etobicoke agricultural board, held
on Saturday night in Weston town
hall, a resolution was unanimously
passed, upon the motion of Directors
Farr and Crawford, that the frame
buildings upon the fair grounds used
for agricultural exhibits be moved
down east of Mill street, at the dis-
posal plant, President S. Macklin and
Directors J. Monkman and J. Harris
were appointed a committee, with
power to add to their numbers. The
question of moving the buildings, and
otherwise beautifying the grounds, was
approved by the board by a vote of
the Town Improvement Society, who wish
to have a special meeting. The mat-
ter had already previously been ap-
proached by the Weston Horticultur-
al Society, who are working in co-op-
eration with the agricultural society
since last year. Strong addresses were
made by W. A. Pearson, Dr. W. J.
Charlton, as well as the presi-
dent and the mover and seconder of
the resolution. A second resolution
was carried for the purchase of a
piece of land at the east side, in order
to widen the entrance to the grounds.
The classification of subjects and the
appointment of judges was postponed
to a special meeting. There was a
good attendance, altho the meeting
was late in starting, because of far-
mer members still using old time.

MOUNT DENNIS SIDEWALK.

Weston road in Mount Dennis is
being laid with cement sidewalk on
the east side between Eglinton avenue
and School road. The work is already
half done.

Counter Agitations in Brantford In Matter of Daylight Saving

Brantford, May 9.—(Special.)—
While employees of the Waterous,
Verity, Kitchen and Cordage factor-
ies, and members of the Y.M.C.A.
strongly signed, asking for daylight
saving, no action will be taken for
the time being. The committee
wants to secure a vote of the women
of the city, thru the women's organ-
izations. Feeling is very bitter here
over the question.

BETHANY PRECEPTORY, NO. 842

Four candidates were initiated on
Friday evening by Bethany Preceptory,
No. 842, Royal Black Knights
of Ireland, at a meeting held in Odd-
fellow Hall. The ceremony was con-
ducted by Sir Kt. Arthur Varcoe, wor-
shipful preceptor. A feature of the
evening was the presentation of a past
preceptor's jewel to W. Sir Kt. Nelson
A. Boylen, the honor being conferred
by V.W. Sir Kt. Lotfus Reid, county
master of York. A resolution was car-
ried to have the insignia of the Red
Cross degree engraved upon the tomb-
stones of two deceased brethren—
Sir Kt. George Hopcroft, Riverside
Cemetery, and Sir Kt. John Buchanan,
Maple Cemetery. It was also decided
to decorate the graves with flowers
on the first Sunday in August. A
committee was appointed to arrange
for a new hall. Count Chaplain Sir
Kt. J. McMurtry gave an address.

THE RISING GENERATION

A group of boys between the ages of
14 and 36, on the way from the city
to play baseball at Mount Dennis on
Saturday afternoon, drew remarks
from passengers on the Toronto sub-
urban car, because of keeping their
seats, while some elderly people had
to stand and hang on to the straps.
But eight of the nine boys pulled
down their seats, and the paper, obvi-
ous of the comfort of others.

USE LIGHT TO GET EGGS.

In connection with the live ques-
tion of greater egg production, Pro-
fessor Graham, Ontario government
expert, has been visiting the Danforth
poultrymen at a recent meeting. An
artificial light will make egg produc-
tion one third greater.

GOOD TYPE HOUSE, COXWELL DEMAND

Ratepayers Want Same Class
of Building as Already
Built.

That the city council should adhere
to the plans and types of houses of
the defunct Toronto Housing Com-
mission when considering the erection
of dwellings is the desire of the Coxwell
Avenue Ratepayers' Association, ac-
cording to the statement of the presi-
dent, E. Kirkhoff, to the World yes-
terday. Mr. Kirkhoff points out that
the types designed by Architect Price
would tend to lower the value of the
existing property on Coxwell avenue,
south of Danforth.

RIVERDALE SALVATIONISTS HOLD BAND FESTIVAL

A special band festival in connec-
tion with the Riverdale Corps of the
Salvation Army was held in the new
Clairol, Logan avenue, Saturday eve-
ning. Ensign Frank Ham occupied the
chair, in the inevitable absence there-
of Ernest Cooke, who was to have
presided. The feature of the pro-
ceedings was the presentation of a
handsome silver band, costing \$25, to
the band by the members. The presen-
tation was made by Ensign Ham, who
outlined the progress of the corps,
which has doubled in membership since
removal, about a year ago, from the
old quarters on Broadview avenue.
There are now 175 members on the
roll. A fine program of religious and
secular music was rendered by the
band, under the leadership of Band-
master W. D. Creighton. The new
band has been played by the corps
Thompson. The Riverdale Corps is
nine years established in the district.

Simpson Avenue Methodists Celebrate Anniversary Services

Church anniversary services were
held at Simpson Avenue Methodist
Church yesterday with crowded at-
tendances morning and evening. Rev.
E. E. Scott, former pastor, officiated
and special music was rendered by
an augmented choir, assisted by Mrs.
Isabel Wray Jenkins.

COLLEGE ABANDONED.

The proposed establishment of a
college of philosophy in connection
with the forthcoming silver jubilee of
His Grace Archbishop McNell, has
been temporarily abandoned, owing
to the high cost of labor and building
material.

A committee of the clergy of the
diocese has been formed with the ob-
ject of commemorating the twenty-
fifth anniversary of the archbishop's
consecration as bishop. Contributions
will be received from all parishes
in the diocese on behalf of the
fund.
Rev. Dr. Arthur O'Leary, pastor of
St. Joseph's Church, Chilton street,
has been appointed permanent secre-
tary.

CONSIDER GREENWOOD LIBRARY

Altho the suggestion of the River-
dale Ratepayers' association to ap-
pear for a branch library on the new
Greenwood athletic ground site, with
public lavatory accommodation in the
basement—is not favored by the
Ward One aldermen, a separate
library building will be considered if
the entire section will co-operate and
forward an extensively signed peti-
tion to the city council and library
board.

First Avenue Baptists Pay Tribute to C. J. Daniels

C. J. Daniels, chairman of the de-
ceased board of First Avenue Baptist
Church, was presented with a gold
watch and chain by the pastor, Rev.
Dr. Graham, on behalf of the congre-
gation, at the service of the evening
service yesterday.

Mr. Daniels, who has been ill for
the past five months, and has under-
gone a serious operation, was present
in church for the first time.
In making the presentation, Dr.
Graham eulogized the good work on
the part of the congregation, and the
recipient, who has been a mem-
ber for the past 30 years. Mr. Daniels
suitably responded.

FARM SOLD FOR \$20,000.

Page Bros. of Weston, have pur-
chased the farm of John Chapman,
lot 22, concession 4. The farm con-
tains 150 acres.

HOUSE OF COMMONS MAY TAKE RECESS

Ottawa, May 9.—(By Canadian
Press.)—The house of commons may
take recess from Wednesday night
until Monday afternoon next, Thurs-
day is a religious holiday, on which
the house will not hold session, and
many members have pointed out that
if Friday's session was also adjourned
it would allow them to clean up much
pending business, leaving out com-
mittee and other work, and would
also give time for consideration of the
budget, which will be introduced at
Wednesday's sitting of the house.
The government has not given its
decision on the point. The house at
all events will not sit on Thursday.

Crew of ex-German Battleship Attempted to Squdle Her

Cherbourg, France, May 9.—A serious
leak was discovered on board the
German battleship, Thuringen, which
recently was allocated to France and
is in port here. The leak is stated,
by the British navy, to be the work of
the crew of the warship. The influx of
water was stopped by a French naval
duke and the damage repaired.

DUKE OF DEVONSHIRE RETURNS

Ottawa, May 9.—(By Canadian
Press.)—The duke of Devonshire, gov-
ernor-general, will arrive in Ottawa tomorrow
morning at seven o'clock.

PLAYS, PICTURES AND MUSIC

"Civilian Clothes"—Robins Players.
When you say that a modern com-
edy is brimful over with laughter,
it sometimes turns out to be ordinary
horseplay, with little or nothing back
of the laugh, but such is not the case
with "Civilian Clothes," the Thomp-
son Buchanan comedy that Edward
H. Robins has selected for the open-
ing of his sixth summer season at
the head of his own company, the
Robins Players, at the Royal Alex-
andra Theatre, commencing tonight.
The text from which the play might
have drawn its source is "It is not the
clothes that make the man," and for
a sub-title the author might have added
"a cure for snobishness." That
the production will be complete in
every detail may be estimated, when
it is known that the entire furnishings
used on the stage have been furnished
by the firm of Murray-Kay, and are
valued at over \$1000. Matinees will
be as usual, on Wednesday and Sat-
urday.

"Enlighten Thy Daughters"—Grand.
There will be two performances every
day this week, commencing at 2.30,
and again at 8.15, of the moral drama,
"Enlighten Thy Daughters," at the
Grand Opera House. This interesting
story shows more plainly than words
can describe how necessary it is that
young people should face life with a
full knowledge of all its perplexing
problems. It is a striking illustration
of what may happen to a young man
or woman whose sex education has
been neglected by the parents. The
Allen, Cliff and Barry troupe, in
the complete way—the subject is
handled.

At Loew's This Week.
An absorbing drama of young mar-
ried life is unfolded in "Young Mrs.
Washburn," featuring Ethel Mae Hall
and company, in "The Wrong Guy,"
Harry Arntson, a smart entertainer;
Clifford Barry, pianist, and
violin selections; Seymour and
Jeanette, "Two Midnight Hoofers,"
and Wilfred Dubois, the French ju-
gler. The comedy film feature is
"The School Days."

"Midnight Maidens."
Seemingly excellent all of their
previous successes, Burlesque
Amusement Company comes forward
this season with "The Midnight
Maidens," comprising one of the cliv-
erest companies and most magnificent
productions that the field of burlesque
has yet seen. This spectacular beau-
tiful offering will be seen at the Star
Theatre next week.

Responsibility for the book of the
burlesque is laid at the door of Leon
Berg, and the Columbia burlesque
wheel, but the one that is called the
greatest of them all is "The Golden
Croc Company," featuring Billy Ar-
lington, which appears at the Gayety
all this week. Jacobs and Jernon have
spent a fortune in scenery and cos-
tumes, and have put to shame many a
dollar production with this at-
traction. Mr. John Jernon, the pro-
ducer, knows, burlesque backwards,
and what the people want. He knows
enough to realize that in these days
of wonderful pictures shown at cheap
prices, the man who expects to make
money must deliver the goods. The
critics of the big towns say he has
done so, and must be true, because
the Golden Croc Company is doing
the largest business on the wheel.

Wallace Reid at the Strand.
Wallace Reid, as a breezy young
millionaire, who is robust of all he
has, and turns chauffeur to be near
his stolen car and a pretty girl, is the
hero of "Double Speed," the sizzling
romance of motor cars and love, now
playing at the Strand Theatre. Left
alone on the desert without a cent,
thrown from a bank as a tramp, ac-
cused of his own murder—these are
some of the adventures of Wallace
Reid in this story of swift motor
cars and swift romance. The hand-
some star's immense popularity has
Toronto ensures large attendance at
the Strand all this week. Wanda
Hawley, Theodore Roberts, and Tully
Marshall are in the cast.

Sir Oliver Lodge at Massey Hall.
Tonight Sir Oliver Lodge, the
eminent British scientist, will deliver
his famous lecture, "The Continuity
of Existence," in Massey Hall. Un-
doubtedly, the audience will be very
large, and those who have not yet
made reservations will be well ad-
vised to do so at the earliest possible
moment. It is the simple language,
so easily understood, which Sir
Lodge uses that is in a measure, the
reason for his popularity among those
who are unfamiliar with scientific
terms. The subject is quite
within the understanding of the aver-
age man, because of the way in which
this skillful orator handles it. Rush seats will be placed
on sale at 7.15.

REDEMPTIONISTS OPEN MISSION

A week's mission for the men of
the world, opened by the Redem-
ptionists Fathers, at St. Clare's
Catholic Church, West St. Clair ave-
nue yesterday, with capacity congrega-
tions at all sittings.

BAGLEY-MASON WEDDING.

A quiet wedding was celebrated at
Waverley Road Baptist Church par-
sonage, 155 Lee avenue, when Ger-
trude Alice Mason and William Mor-
ris Bagley, both of Virginia, U.S.A.,
were united in marriage by Rev. J.
H. Boyd, pastor, in the presence of
immediate friends and relatives.

Montreal People IN A MOTOR CRASH

Three Go to Hospital—Car
Strikes Pile of Stones, Then
Collides With Another.

Montreal, May 9.—Two persons
were taken to the Western Hospital,
one to the Royal Victoria Hospital,
and two others were able to go home
after an automobile accident, which
occurred on Sherbrooke street be-
tween Grey and Vendome avenues
early this morning. The victims are
George Howe, 28, who suffered a
square laceration on the chin, a fore-
head and several bruises; Arthur
Durocher, 29, cuts and bruises. The
other names were not ascertained.
The automobile struck a pile of
stones, the red light indicating them,
apparently having gone out. The
shock threw the chauffeur against the
roof of the car and dazed him. Out
of control, his machine ran across the
road and collided with another ma-
chine almost head on, and it was
thought to flying glass in this collision
that the injuries occurred.

Convenient Train Service to Montreal and Ottawa From Toronto "Yonge Street Station."

Toronto "Yonge Street Station" is
situated in the heart of the great res-
idential section and is reached from
downtown by the Yonge street cars.
Excellent train with sleeping cars for
Montreal and Ottawa leaves 9.30 p.m.
daily except Saturday. Further par-
ticulars from Canadian Pacific ticket
agents.

BURNED TO DEATH IN AUTO.

Elmhurst, N. Y., May 9.—Mrs. Helen
Broegly of New York, N. Y., was burned
to death early today when an auto-
mobile in which she was riding with three
companions turned turtle here. John
Daly of Long Island City, and Mrs.
Freda Harris of New York, two other
occupants of the machine, are being
held by the police. They were unin-
jured. The fourth occupant of the
machine ran away after the accident.

NOMINATE A FARMER

Russell, Man. May 9.—At a conven-
tion of the People's Independent Na-
tional party here Friday night, E.
Griffiths, a farmer of Binscarth, was
selected as the party's candidate to
contest the constituency of Russell in
the forthcoming provincial elections.

ROYAL ASSENT TO G. T. PURCHASE DUE TUESDAY

Appointment of Joint Board
of Management Will Soon
Follow.

INCREASE IN RATES

Deficit May Thus Be Met—
Sir Thomas White's
Possible Part.

Special to The Sunday World.
Ottawa, May 8.—After the royal as-
sent is given to the Grant Trunk line
on Tuesday will come the appointment
of the joint board of management. The
Canadian National representatives will
be Messrs. Hayes and Hungerford, and
for the Grant Trunk line two will be se-
lected from Messrs. Robt. J. Layton
and Scott. Howard G. Kelly, president
of the Grant Trunk, will be chosen as
chairman.

The next important appointment in
connection with the absorption of the
Grant Trunk into the government sys-
tem is a Dominion representative on
the arbitration board. Sir Thomas White
may be induced to accept this. He is
familiar with all the details of the ne-
gotiations to date, and would be a val-
uable man in the arbitration proceedings.
He would have to resign his seat in
parliament, but the government could
carry Leeds-Brookville without difficulty.

Among the commoners there is a
growing sentiment in favor of meeting
part of the National Railway deficit by
an increase in freight and passenger
rates. This increase would not be suf-
ficient to meet the Grant Trunk de-
ficit, but would be of material
assistance to the Canadian Na-
tional. The remainder of the deficit
would be borne by the public at large
thru the federal treasury. This policy
will probably be adopted.

WARMER WEATHER TO START SEEDING

Moore Jaw, Sask., May 8.—Good
warm weather will be needed for seed-
ing from three to five days longer before seed-
ing will be general in the Moose Jaw
district, according to E. M. Hagan,
government labor bureau agent here.
"It all depends upon the nature of
the soil," said Mr. Hagan. "In the
Luford and Marquis districts and in
the district to the east, Buffalo Lake,
last year, heavy seeding, if any seeding
has been attempted, it will be on only
the very highest spots and in the big-
gest portion of this area harrowing
has not been attempted. In the west,
Brownlee and further north in the
lighter soil, there is perhaps 15 per
cent of the seeding done. West from
Moose Jaw, on light soil much of the
seeding is now in progress. Southeast
of the city to Briercrest, the land be-
ing heavy, very little, if any, has been
attempted. This latter district recd.
ed a heavy rainfall Tuesday after-
noon. Southwest to Assiniboia, seed-
ing has been in progress all week and
most places as high as 30 per cent.
of the wheat is in the ground."

HOOPER SUGGESTS SUGAR RATIONING

Washington, May 8.—Rationing of
sugar to manufacturers of non-
essentials and an agreement between
the United States and foreign coun-
tries not to bid against each other for
the country's commonwealth were sug-
gested by Herbert Hoover as means of re-
lieving the present sugar situation.

TO LIVE IN MORTUARY, HOUSES SO SCARCE

Glasgow, May 8.—So acute is house
shortage in Haddington that the par-
ish council have petitioned the Scot-
tish board of health for powers to
sell a brick building in Hope Park,
Haddington, which has been used as
a mortuary, for conversion into dwell-
ing houses.

MANY IN ENGLAND
