

BICKLES

ANTI-CONSUMPTIVE

SYRUP

FOR COUGHS COLDS & C.

An Unparalleled Remedy for Coughs, Colds, Influenza, Asthma, Croup, Hoarseness, Pleurisy, Bronchitis, Consumption, Spitting of Blood, Whooping Cough, Diseases of the Chest and Lungs, Shortness of Breath, etc.

IN this country the degrees of heat and cold are not only various in the different seasons of the year, but often change from one extreme to the other in a few hours, and as these changes cannot fail to increase or diminish the perspiration they must, of course, affect the health.

Nothing so suddenly obstructs the perspiration as sudden transitions from heat to cold. Heat rarifies the blood, quickens the circulation and increases the perspiration, but when these are suddenly checked, the consequences must be bad. The most common cause of disease is obstructed perspiration, or what commonly goes by the name of catching cold.

Coughs, Colds, Sore Throats, etc., if attended to in time, are easily subdued, but if allowed to run their own course, generally prove the forerunner of more dangerous diseases. Nine-tenths of the consumptives date their affliction from a neglected cold, and the diseases that are caused by wet feet, damp clothes or exposure, are more numerous than are generally supposed. One of the most efficacious medicines for all diseases of the Throat and Lungs is **Bickles' Anti-Consumptive Syrup**.

This is not a Medicine got up for speculation, to gull the poor sufferer, who, like a drowning man, will catch at any straw, but it is a scientific preparation

recommended by the faculty (to whom the principal ingredients of the preparation have been made known), and which is believed to be the best medicine for diseases of the pulmonary organs which has ever been presented to the public.

It was only after a series of skillful chemical experiments that the inventor was successful in extracting the active principles or virtues of several medicinal herbs, which exert a most wonderful influence in curing Consumption and other diseases of the Lungs and Chest.

A GRAND MEDICINE—MR. GEO. D. McLEOD, Strathlorn, C.B., writes:—"I have used **Bickles' Syrup** and find it a grand medicine for a Cough. I keep it in stock in my general store and can always heartily recommend it for Coughs and Colds."

CHRONIC COUGH CURED—MR. H. BAXTER, Norton Station, N.B., writes:—"I have used **Bickles' Syrup** cured me of a Chronic Cough. I could not speak above a whisper and feared that I was going to lose my voice, I got relief immediately. It is a pleasant medicine and it gives me pleasure to recommend it to others."

NONE HALF AS GOOD—MR. WM. McCLAY, Knowlton, P.Q., writes as follows:—"I have great pleasure in testifying to the merits of **Bickles' Syrup**. I was so hoarse that I could not speak above a whisper, and one dose gave me relief and it only took a few doses to restore my voice. It will cure the most obstinate cough or cold. I never tried a cough medicine that was one-half as good as **Bickles'.**"

BRONCHITIS CURED—MR. GEORGE S. RICHARDSON, Roblin, writes:—"I have been using **Bickles' Syrup** for fully six years and I can cheerfully recommend it to any one (after testing it thoroughly) as having no equal, and I have tried many remedies too. I have two boys and when young they were great sufferers with Bronchitis. The **Bickles' Syrup** effected a complete cure with one, and always stops the disease on the other. I found it more effectual than the doctor's medicine, and can truly say that it saved me many a dollar. I have used it myself and in our family, and we found it superior to any Cough Medicine we ever used."

COULD ONLY WHISPER—MR. THOS. DONOVAN, Escott, writes:—"I was so hoarse last spring for weeks that I could only whisper, but one bottle of **Bickles' Syrup** completely cured me. Thanking you for the benefit I received from its use, etc."

Price 25c., 50c., and \$1 per bottle.
