INTRODUCTION

OF THE

RUSSIA
SALVE.

Vegetable Ointment.

The great success that has attended the RUSSIA SALVE in Boston, and throughout the New-England States, has induced the proprietors to introduce it to the New-Brunswick public,—believing, as they do, that it is an article infinitely superior to any thing hitherto presented in this country, for the cure of the various complaints for which it is designed. As a healing remedy, its virtues are almost miraculous; and the good effects that are sure to immediately follow its application, have rendered the RUSSIA SALVE a reliable and truly beneficial remedy. For CUTS, and FLESH WOUNDS, its healing power is wonderful; and when used in case of a severe SCALD, or BURN, it allays the irritation and smart as if by magic. So great is the estimation in which this Salve is held throughout New-England, that there is scarcely a work-shop or family that have not a box or two constantly on hand, in case of accident. It has one merit above all other preparations of the kind, and that is,—it does not smell the least disagreeable, or cause any one to suspect the presence of a sore of any kind. Besides, it is so clean in its application, that it will not soil the least thing.

The history of the introduction of the RUSSIA SALVE to the American public is not without its romance. It is a celebrated Russian preparation, and used principally in the army,—and during the memorable campaigns of 1812, it was applied with wonderful success in thousands of cases,—and particularly by an old soldier who had received a severe wound in action. Several years after, the old soldier emigrated to this country, and in gratitude for a deed of charity rendered him, he gave the secret of its preparation. It has been in use in the New-England States nearly thirty years, but confined exclusively to Massachusetts.

This Salve cures all kinds of BURNS, CANCERS, FELONS, ULCERS, SALT RHEUM, RING WORM, BILES, BRUISES, FLESH WOUNDS, CHILBLAINS, PILES, ERYSIPELAS, SHINGLES, CHAPPED HANDS, SORE EYES, ITCH, SCALD HEAD, NETTLE RASH, CUTS, CORNS, SCALDS, SORES OF ALL KINDS, FLEA BITES, WHITLOWS, WARTS, WENS, SORE NIPPLES, STYS, FESTERS, SCURVY, BUNNIANS, SORE LIPS, FROZEN LIMBS, SORE EARS, INGROWN NAILS, SPRAINS, FEVER SORES.
