

CABINET ASKED TO ASSIST IN CELEBRATION

Dominion Government to be Requested to Organize Canada's Jubilee

OTTAWA, Sept. 21—Steps will be taken by the National Association of Canadian Clubs to ask the Dominion government to organize the celebration of the Diamond Jubilee of Confederation, it was decided today at the first meeting of the newly elected executive of the association. A delegation of the Canadian Clubs will approach the new government when it is formed.

The question of the celebration of the Diamond Jubilee has been under consideration and at the convention held in Ottawa, two weeks ago, the carrying out of the scheme was left to the executive. The conference, representing Canadian Clubs throughout

the Dominion was strongly in favor of a fitting observation of the day.

COMMITTEE SOUGHT.

The delegation from the National Association of the clubs will urge the government to set up a committee, presided over by the Prime Minister or other member of the cabinet, and representative of the whole of Canada. This committee will have full charge of organizing the celebration. Members of the Canadian Club executive felt that it had to be taken up by the government and be given a national aspect, with celebrations in every part of the Dominion and at the capital.

Among the suggestions made to the Canadian Club executive by Canadian Club members from different parts of Canada are: Invitations to the King and Queen, the lighting of beacons fires across Canada, the holding of pageants in each city, the distribution of pictures of the fathers of the Confederation and other matters. The delegation, headed by C. G. Cowan, of Ottawa, chairman of the executive committee, and composed of the committee representing the whole Dominion will seek an interview with the Prime Minister as soon as he is in office.

The Happy Housewife

FOUR WALLS can make a house, but it takes a woman to make a home. The woman who prepares nourishing and attractive meals, attends to the thousand and one household tasks without grumbling, raises a family of healthy boys and girls, and still finds time to be a pal to her husband and a friend to her neighbors, is accomplishing the biggest job in the world. Homes like hers—little havens of peace and love—are the bulwark of the nation.

To be a successful homemaker, a woman must guard her health. When mother is not well, the house is upset. Women everywhere are learning through their own personal experiences, as Mrs. Riessinger did, the merit of Lydia E. Pinkham's Vegetable Compound to relieve nervous spells, weakness and women's ailments.

Works Without Pain

Cleveland, Ohio.—"I have really had all kinds of trouble, but the worst was a nervous break-down and very irregular. After having my first baby I lost weight no matter what I did. Then a doctor told me I would be better after my next baby came. But I got worse, was always sickly and went down to 98 pounds. My neighbor told me about Lydia E. Pinkham's Vegetable Compound, as it helped her very much, so I tried it. After taking four bottles I weigh 116 pounds and I have now gone three months without even one pain, where other times I would be laid up three days at a time. It has just done wonders for me and I can do my housework now without one bit of trouble."—Mrs. M. Riessinger, 10,004 Nelson Avenue, Cleveland, Ohio.

Nervous Spells Gone

St. Paul, Minn.—"If young women want to keep their health and strength for the next thirty years of their lives it is best to start in right now and take this medicine! I used to get nervous spells that would last a couple of days and were so bad that I was afraid in my own house in broad daylight. I used to lock the doors and pull down the shades so that nobody could see me. One day a little booklet was left on my porch and I read it through. I found a case similar to mine. I bought Lydia E. Pinkham's Vegetable Compound and have had fine results. The condition I was in made me a burden to my husband. Now I ask him, 'How is housekeeping?' and he says 'It is just like being in Heaven!'"—Mrs. JACK LOEBERTER, 704 Bellwood Place, St. Paul, Minnesota.
