HEALTH PERFECT NOW, SAYS BROWN

Suffered Ten Years—Is Relieved by Tanlac, Says St. John Man.

"I had suffered from indigestion for ten years before I began taking Tanlac and the way it has built me up is something remarkable for I am feeling like a young man again," was the statement made recently by T. H. Brown, proprietor of the Valley Meat and Fish Market, who lives at 41 Winter street, St. John (N. B.).

He has certainly had his share of suffering in this world for I have been bothered for the past ten years with the worst sort of stomach trouble," Mr. Brown continued. "I had nearly lost my appetite and when I did force myself to eat a little something it was almost impossible for me to retain it. I even hated the sight of food because everything I ate would sour on my stomach and give me an awful distressing feeling afterwards. My sleep was restless and when morning came I always got up feeling tired and worn-out."

"Here is how I got hold of Tanlac and started taking it: A customer of mine had been trying to get me to take Tanlac, as he had tried it with remarkable results, but I kept putting it off. One day he walked into my shop and put a bottle of Tanlac down on the counter and said: 'Try it. I took his advice and I want to tell you that proved to be the turning point in my life. That very first bottle hit the spot and I kept taking it until now I am in absolutely perfect health. I eat heartily now and enjoy every meal. My digestion was never better and I am not restless afterwards at all. I sleep sound at night and get up of mornings feeling brimful of life and energy. Yes, sir, I am a new man today and feeling years younger.'"

Tanlac is sold in St. John by Ross Drug Company and F. W. Munro under the personal direction of a special Tanlac representative.—(Adv.)

LOCAL WOMAN COULDN'T SLEEP LAST CHANCE TO SEE GREAT ACROBATIC ACT

What "Liv-rite Tonic" Did For Mrs. Blizard—Her Words of Thanks.

To those who are troubled from causes associated with the liver, the experience of a St. John woman, Mrs. Mand Blizard, 78 Erin street, should be of much value. If they follow her advice they will become as ardent believers in the curative properties of "Liv-rite Tonic" as she apparently has, for she recommends it to any who are finding their system run down and who are suffering from blood impurities, dizziness, gaseous stomach, and general feeling of weariness or listlessness.

"I had tried different medicines before I began to use Liv-rite," Mrs. Blizard writes. "None of them seemed to do me the slightest good. I might have been for a day or so, but always my trouble would come back upon me. But now I feel I am safe in saying I have been cured and I can tell you how. I was unable to sleep, I found my appetite failing me—much of what I ate did not agree with me. Occasionally I would be dizzy spells. I might have lost weight. This went on for some months. I read in the paper about a local man who was troubled in this way and who has used 'Liv-rite' and I thought I would do the same. I am certainly very happy that I did so for today I can hardly recognize myself as the same woman, there is such an improvement in my health. You may use this letter if it will be of any good to others who are troubled the same as I was."

This "Liv-rite Tonic" is now handled by the most reliable drug-store and costs a dollar a box. If your druggist can't supply you, send a dollar from wherever you are and you will receive a box of the tonic by return mail, from the Mail-Tone Drug Co., 108 Prince Wm. street, (Adv.)

It is officially stated that all the American troupe have been ordered to evacuate Monrovia by March 1.

GOOD THINGS COMING TO THEATRES OF ST. JOHN

GOSSIP OF THE IMPERIAL THEATRE

Important Things to Know for the Next Week or So.

Tonight and Tuesday Anita Stewart, Conway Tearle, Naomi Childers, Eulalie Kent, and the rest of the old Victoria favourites—appear in the first national domestic story, "Human Desire," a slap at butterfly mothers who do not welcome their babies.

Dorothy Dalton in "Market of Souls" Wednesday and Thursday—a picture quite sensational for its midnight cabaret scenes—will not be seen Thursday evening as the De Gogorza concert takes the whole evening. Dalton enthusiasts please note this one-night booking.

Friday and Saturday the Imperial has that Australian star, Enid Bennett, in one of the very best comedies of the year entitled "Stepping Out." It will be shown on Friday afternoon, Saturday afternoon and evening. Friday night the Hon. W. L. Mackenzie King will have his mass meeting in the theatre.

The Imperial orchestra is at work on rehearsals for the special musical setting of "The Miracle Man" (starts 28th), the music having arrived from New York last week-end. The wonderful picture is to receive musical "atmospheric" treatment as in vogue in the Broadway houses just now—theme recital with tableau preceding the picture.

Among local moving pictures to be shown at the Imperial will be Charlotte-town street racing, car ferry in Northumberland Straits, ice jam tonight and tomorrow and the freight and steamship congestion at this port next week-end, also Saturday's citizens demonstration.

The Loyalist Chap. Reue will be the gay and gaily attraction at the Imperial Feb. 18-19. Rehearsals are about to commence. Many sparkling novelties are to be introduced.

Tyrone Power himself in his greatest play, "The Servant in the House," may show at Imperial early in February, the first of the new Canada Convention offerings. This is not a motion picture but a big traveling company.

Tonight will be your last opportunity to see the great vaudeville bill at the Grand Opera House. There are five good acts, one of the most sensational being that of Louise and Mitchell. The two performers are from Belgium and have one of the best acrobatic numbers that was ever billed on this circuit. Some of the balancing and strong man feats of the male member would be hard to beat. In addition there is lots of fun, some good dancing and class singing, also another episode of "The Midnight Man," featuring James J. Corbett.

Tomorrow afternoon will be the opening chapter of the new serial, "The Black Secret," with Pearl White in the leading role. This great picture was taken from the pen of Robert W. Chambers, the well known novelist and romantic fiction writer. "The Four Gards," a ladies' harmony singing quartet; Martin and Wayne, in a comedy singing skit, "Can You Prove It?"; Santucci, in "Madame Surprise Introducing a European instrumental novelty; Robb and Whiteman, in "Back to School Days," a novel comedy skit; and Holman Bros., in a horizontal bar act of merit, will supply the vaudeville.

UNIQUE PRESENTS TONIGHT THE SUCCESSFUL STAGE PLAY "THE SQUAW MAN."

Cecil DeMille's latest Artcraft production, "The Squaw Man," one of the most pretentious productions Mr. DeMille has thus far made for Artcraft, will be the attraction at the Unique today, Tuesday, Wednesday and Thursday. This is a picturization of Edward Milton Royce's famous stage success, the hero being a mainly Englishman, who to shield the women he loves from disgrace, shoulders another's crime and becomes a pariah in the West.

It is a photoplay of the red blood vander weakness.

QUIT MEAT WHEN YOUR KIDNEYS BOTHER

Take a glass of Salts before breakfast if your Back hurts or Bladder is troubling you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which excites the kidneys, they become over-worked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by sensation of stinging, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with bicarbonate, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

riety and every moment of it is filled with interest and heart appeal. The situation is of great dramatic strength and in every other respect "The Squaw Man" is a picture which, once seen, will never be forgotten.
