HEAVY TONE IN WALL STREET AT OPENING

Strong Selling Pressure Causes Fractional Losses in Many Issues

TRADING WAS QUIET IN MONTREAL MART

Brazilian Gains One-half, But Declines Registered in Other Stocks

NEW YORK, Jan. 16.—Renewal of selling pressure imparted a heavy tone to the opening of today's stock market. Motors and accessories were again in free supply, but most of the initial Dupont dropped two points on the first sale. Stalls held relatively steady, although opening a point higher and several others improving fractionally.

MONTREAL, Jan. 16.—Trading was quiet at the opening of today's stock market, with losses again outnumbering gains. Brazilian, the most active issue, however, advanced one quarter to 8 1/2. Declines of half a point were registered by Sherwin Williams at 129, and by Canadian Steamships preferred at 84, while Dominion Textile eased a quarter to 8 1/2. Canada Car preferred, Steel of Canada and Montreal Power were steady at 30, 36 1/2 and 214 respectively. Other leaders were neglected.
