A MUSEMENTS

Society Jubilee
Was Celebrated

Women's Missionary Aid Society of Germain St. Baptist Church in Session.

More practical Christianity manifesting itself in hospitality to strangers guarding the young, and replacing the altar of family prayer was urged by Mrs. J. E. Wilson of Woodstock in a very fine address given last evening before the Women's Missionary Aid Society of Germain Street Baptist Church. The meeting was held in the Germain Street Institute to celebrate the Jubilee of the Society. Mrs. S. S. Poole, president and on the platform were also Mrs. E. M. Sippell and Mrs. J. B. Wilson.

The proceedings opened with the singing of the hymn "How Firm a Foundation." Responsive Scripture followed from Isa. 25 and Lev. 25. Rev. S. S. Poole pastor of Germain street church led in prayer. A solo was given by Miss Parlee "The Lord is Risen."

The Original Officers
Mrs. George Parker the present secretary gave an excellent account of the splendid work of the society which was formed in 1870, following an address by Miss Maria Norris, the founder of the Women's Aids of the Baptist church. The following facts are taken from Mrs. Parker's report: Seventeen women organized the society with eleven members, the original officers being:
Mrs. John Harding—President.
Mrs. Lawrence—First Vice-Pres.
Mrs. Ralston—Second Vice-Pres.
Miss Hingue—Secretary.
Miss Hart—Treasurer.
Miss Nettie Hart—Auditor.
Committee of Management—Mrs. G. M. W. Carey, Mrs. Valentine Graves, Mrs. Pettigill, Mrs. Hatfield, Mrs. Edgett.
Mrs. John Harding was president for twenty years and after her resignation her birthday was observed. Other presidents have been Mrs. F. A. Bowman, Mrs. G. O. Gates, Mrs. Henry Everett, Mrs. N. C. Scott, Mrs. E. M. Sippell and Mrs. S. S. Poole. Mrs. G. U. Hay then Miss Nettie Hart is the only one left of the original officers. The membership increased to 24 and \$81.70 was raised the past year.

Officers of long standing have been Mrs. Le Baron Vaughan, secretary for thirteen years, Mrs. C. E. Harding, secretary for nine years, Mrs. E. L. Rising, treasurer for ten years.
Last year \$750 was raised for the children in India, many supported by members and one Bible Woman.

Interesting Address
Mrs. Wilson gave her address taking as her subject "The Overflow of Life," and pointing out that those who know the Saviour will give to others His message and will live lives of righteousness. Her address was most impressive and beautifully expressed.
A solo was sung by Stewart Smith, Mr. Cochran accompanied. Rev. S. S. Poole moved a vote of thanks to Mrs. Wilson which was seconded by W. C. Cross. After the singing of "Bless Be the Tie Which Binds," Rev. Dr. Hutchinson pronounced the Benediction.

Plans Made For
A Hospital Day

Interesting Business Transacted at Meeting of Woman's Hospital Aid Yesterday.

Plans for a Hospital Day were made at the regular meeting of the Woman's Hospital Aid held yesterday afternoon in the Board of Trade Rooms. Mrs. A. C. Shelton, vice-president, presided in the absence of the president, Mrs. E. Atherton Smith, and spoke of the aim of the organization, urging all members to work together heartily for the good of the General Public Hospital and its inmates.

After the report of the secretary, Mrs. J. B. Travers, had been given, the treasurer, Mrs. R. Duncan Smith, reported \$5,562.70 in hand, and \$1.99 in the Flower Fund.

Interesting Report.
Mrs. Morris, visitor for the month, gave an interesting report. She had been greatly assisted in her work by Mrs. E. A. Young. Flowers had been donated from Fairville, and Mrs. E. A. E. Belyea of Belyea's Point. Fruit, candy and ice cream had been contributed by St. John's, St. Peter's, St. John the Baptist, and the Church of the Assumption. The Hospital looked very clean and attractive. There were signs of new linen, the beds looking particularly fresh and clean.

Much gratification was expressed by members on hearing the news of the arrival of the new linen. Mrs. Wallace was appointed visitor for this month. For the House Committee, Mrs. Morris reported that everything at the Hospital seemed very clean, and the children's ward was especially attractive. A good deal of painting and cleaning has been done, and the result is excellent. It was remarked by a member that St. John will be proud of the Hospital yet. The standardization of the Hospital, as planned by the physicians, was referred to, also, and the joy of the members of the Aid in witnessing the building of the walls of the Nurses' Home.

More children's magazines are asked for. It was reported by a visitor.
Hospital Day.
In a letter from Mrs. E. Atherton Smith, she referred to plans made some time ago for a Hospital Day. On Monday, it was decided to hold a Tag Day, and Mrs. Travers was asked to interview the Mayor and obtain permission for this appeal. The proceeds would be used for furnishing the Nurses' Home. It was stated that Mayor Schofield had suggested a general field day for all institutions.

Mrs. W. W. White sent a report regarding the furnishing of the Nurses' Home, saying that the estimates from the firms applied to were not all in as yet, but will be submitted at the October meeting. There was no report from the Book Bank Committee, nor from the Magazine Committee.
Mrs. Skelton volunteered to look up the case of a tubercular patient. Mrs. Carleton Lee questioned that action had been taken in this matter.

Denominational Reports.

No denominational reports were given except by Mrs. Moore, of the Salvation Army, who spoke of the pleasure of two sisters in being asked to visit the Hospital. Mrs. Moore told of the Army's work in this connection.

Catarrh of the Stomach
Is Dangerous

"Thousands Have It and Don't Know It," Says Physician. Frequently Mistaken for Indigestion—How To Recognize and Treat.

"Thousands of people suffer more or less constantly from furred, coated tongue, bad breath, sour burning stomach, frequent vomiting, rumbling in stomach, bitter eructations, gas, wind and stomach acidity and call it indigestion when in reality their trouble is due to gastric catarrh of the stomach," writes a New York physician.

Catarrh of the stomach is dangerous because the mucous membrane lining of the stomach is thickened and a coating of phlegm covers the surface so that the digestive fluids cannot mix with the food and digest them. This condition soon breeds deadly disease in the fermented, unassimilated food. The blood is polluted and carries the infection throughout the body. Gas and acids are apt to form and frequently an ulcer is the first sign of a deadly cancer.

In catarrh of the stomach a good and safe treatment is to take before meals a teaspoonful of pure Bisurated Magnesia in half a glass of hot water as hot as you can comfortably drink it. The hot water washes the mucous from the stomach walls and draws the blood to the stomach while the Bisurated Magnesia is an excellent solvent for mucous and increases the efficiency of the hot water treatment. Moreover the Bisurated Magnesia will serve as a powerful but harmless antacid which will neutralize any excess hydrochloric acid that may be in your stomach and sweeten its food contents. Easy, natural digestion without distress of any kind should soon follow. Bisurated Magnesia is not a laxative, is harmless, pleasant and easy to take and can be obtained from any local druggist. Don't confuse Bisurated Magnesia with other forms of magnesia, milks, citrates, etc., but get it in the pure Bisurated form (powder or tablets), especially prepared for this purpose.

Reflections of a Bachelor Girl

By HELEN HOWLAND

GRANT ME THIS.

In all the years I've sung of "loves"
And told of lovers' gentle arts,
I've never touched on "turtle doves,"
Nor babbled once of "Cupid's darts!"

I've written many things, at times,
Which may have seemed to you trifling;
But, grant me this—With all my crimes,
I've never used that word—"INTRIGUING!"

After one husband has led a woman a dance, she is usually willing to settle down, get out her knitting, and placidly "sit out" her next marriage.

Nothing makes a man more indignant than to be treated like a peevish devil when he thought he was successfully posing as a martyred saint.

The greatest disappointment that a woman can suffer is to marry a homely man and the hope he will be eternally grateful and devoted, and then discover that her response has turned him into an egotist.

Of course, words do not prove a man's love—but, to a woman, they are as necessary to its flavor, as the froth on top is to the soda-water.

A great man is one who is governed by his loves, not his hatreds; by his admirations, not his distastes; by his beliefs, not his prejudices.

A true pessimist is not always "one who lives with a professional optimism"; it is more often a woman who is married to an amateur humorist.

Marriage is something like moonlight on the beach, with a nice man beside you—talking about GOLF.

Employment Office
Under Discussion

The following recommendations of the committee of the whole were submitted at the meeting of the common council yesterday and approved:
"Your committee recommend that the Commissioner of Harbors, Ferries and Public Lands be authorized to purchase a carload of Douglas fir from A. J. Gregory, containing 27,312 s. feet, at \$75 per thousand (P.B.M.)."

Your committee also recommend that the gear shed, rest room and offices in No. 1 Shed, West St. John, be placed in the rear of the oil shed; that the lunch rooms at the corner of Nos. 1 and 2 sheds be shifted to alongside of the C. P. R. gear sheds, and that a direct steam-pipe line for heating purposes be laid from the main that now crosses over the conveyor and carried underground to those offices and the gear shed as shown on the blue print attached to the report of the city engineer at an estimated total cost of \$2,500, to be paid for by bond issue. Tenders to be called for the installation and piping and the rest of the work to be done by the harbor department by day's work.

Your committee also recommend that the application of Sydney DeWolf for permission to erect an electric sign from his place of business, No. 325 Brunswick street, be referred to the commissioner of public works and the city engineer to report on.

Statements Incorrect
Your committee recommend that the common clerk inform Messrs. Barry & Sweeney with respect to their letter of the 25th August last, alleging that the city purchased a horse from Thomas Hayes, which horse died whilst in the care of the police department, that the statements contained therein are incorrect, as the city vet-

and stated that she hoped to be able to assist in furnishing one room at the Nurses' Home.

On motion of Mrs. Lynch, seconded by Mrs. Carleton Lee, a letter of condolence will be written to Mrs. J. H. Dooley.
Miss Alice Estey told of the improvement in health of a patient at the Home for incurables in whom the Aid was interested. It was reported that talent money earned for the Aid should be brought in at the October meeting.

AN EYE FOR COLOR.

A wild search for "Ernie" the little colored sunbeam who figures so prominently in the "Smash" Pollard comedies, resulted in the routing of some young water-melon purloiners. "Daddy" Morrison, Ernie's father, about to give up the search for his errant son, located him in a water-melon patch, surrounded by numerous watermelons and a coterie of boys of about his own shade and age. Returning with him to the studio, Morrison said:
"You bad, bad boy, I have a notion to hand you right abash to de 'bories. You know what dey does w'd wicked boys like you? Dey boils dem in oil an' makes soap out ob dem."

Ernie listened attentively for a moment then replied:
"Well ef dey makes soap out ob me Daddy, reckon it'll have ter be tar soap."

KOREAN WOMEN NAMELESS.

The Korean woman has not even a name. In childhood she receives a nickname, by which she is known in the family and by near friends, but when she arrives at maturity it is employed only by her parents. After her marriage her name is buried; she is absolutely nameless. If it happens that a woman has to appear in a law court, the judge gives her a special name for use while the case lasts, in order to save time and to simplify matters.

At H. Wills', Gullford street, estimated cost, \$230.
At David Watson's, estimated cost, \$185.

At D. J. Coe's, estimated cost, \$75. In the two latter cases, the walls to be built by the owners themselves and the amount of \$195 to David Watson, and \$75 to J. D. Coe to be paid upon their executing the proper release, as recommended by the road engineer in his report hereto attached.

It is not necessary to use a painful process to remove hairy growths, for with a little delatone handy you can keep the skin entirely free from these beauty destroyers. To remove hair, make a stiff paste with a little powdered delatone and water. Spread this on the hairy surface and in about 2 minutes rub off, wash the skin and the hairs are gone. The Women's Vote

TO THE WOMEN OF ST. JOHN CITY AND COUNTY AND ALBERT COUNTY:

Many of you were voters in 1917 and supported the Union Government of that date. The reasons for supporting the candidature of Hon. R. W. Wigmore, Minister of Customs and Inland Revenue, in the by-election of Monday next are quite as serious and important as the issues which confronted the electorate three years ago.

Consider the following SIX good reasons for marking a cross opposite the name of Hon. R. W. Wigmore when you go to the polls on Monday:

1. He is a tried and true man who has served the public with an unblemished record, winning his own way by hard work and honest effort.

2. He represents St. John city in the Dominion cabinet and can do a great deal for the interests of this port during the next two years for which length of time his party is sure to retain power.

3. He is the representative of the Government which gave to the women of all Canada an equal right to the franchise.

4. He stands for the Government which kept Canada in the war until the cause for which our men were fighting was triumphant.

5. He supports the Government which has granted the most generous pensions to dependents and disabled men of any country in the world and which has also given, through the Department of Soldiers' Civil Re-establishment a chance to every returned man to better himself by education and training on returning to civil life.

6. He stands for stable government at a time when the spirit of unrest threatens the welfare of every nation. His opponent is committed to a policy which will shut down industries, throw men out of work and reduce to an even greater extent than at present the value of our Canadian dollar.

Think It Over—Keep Our Dollar at Par.
