The Alvineston Free Press says:—Ed. Hamilton, who has been employed in the store of A. Bidner, has we understand given up his position and intends going farming near Glencoe. He will move his family and household effects in the near future.

Four Victory Bonds of \$50 each were subscribed for and purchased by organizations connected with Glencoe Presbyterian church for the benefit of the missionary budget. Two were got by the Sunday school, one by the Cradle Roll and one by the Young People's Guild.

Why is it that the increased prices you have to charge for things you sell are justified by the rising costs and quite legitimate, while the increase which the same condition of rising cost compels the other fellow to charge for things you buy is a heastly imposition?

The Young People's Guild will hold a social evening in the lecture room of the Presbyterian church on Tuesday evening, November 26th, at 8 o'clock. All the young people of the congregation are requested to be present. A good programme for the evening is being prepared.

The pollution of the atmospheric ocean by the odor from hundreds of thousands of decaying bodies of men and animals on the battlefields of Europe is responsible for the Spanish influenza epidemic, was the opinion of Dr. Watson in his address before the London Ministerial Alliance, Monday.

The quarterly official meeting of the officials of the Methodist church was held on Monday night. Some items of important business were dealt with. Owing to the greatly increased cost of living the pastor's salary was unanimously increased to \$1,200, which is the minimum salary fixed by the General Conference for ordained men.

A pretty wedding took place at the home of the bride's parents, Mr. and Mrs. Oliver Baird, Parkhill, on Wednesday, November 13th, when their daughter, Jean Ferguson, was united in marriage to William Albert Sutherland of Parkhill. Miss Baird was formerly a teacher in the Glencoe high school. Mr. and Mrs. Sutherland have the best wishes of the community.

The annual meeting of the book club was held at the home of Mrs. Neil Graham on Monday afternoon and the following officers were elected for the coming year: President, Mrs. Neil Graham; vice-president, Mrs. Luckham; secretary-treasurer, Mrs. C. O. Smith; librarian, Mrs. Grant; literary committee—Mrs. Wright, Mrs. McArthur, Mrs. J. Y. McLachlan and Miss Blackburn.

It is suggested that Glencoe get busy and see what can be done towards getting a trophy of the war for our public park or the grounds in connection with some of our public buildings. Glencoe only sent her soldiers to the war but held her own in regard to patriotic feeling, including the price of a machine gun. This ought to put us in line to get one of the big German cannons which we assisted to capture.

A union service was held in the Presbyterian church on Sunday evening, conducted by Rev. R. Fulton Irwin, pastor of the Methodist church. Mr. Bowen, representative of the British and Foreign Bible Society, who is making a periodical visit to this section of Ontario, addressed the people on the work of the society and made an appeal for more financial aid. The service combined a thanksgiving for victory and close of the war. Music by a union choir was especially pleasing and included a solo in excellent voice by Stanley Humphries and a duet by Miss Weldon and C. O. Smith which was greatly appreciated.

To those who had purchased tickets and secured seats for a concert in the town hall in October, the promoters of the affair would like to say that the failure of the concert to take place was no fault of theirs. The company broke their own signed contract by refusing to come, pretending it was for fear of the influenza, though the ban had not been placed on any public gatherings here at the time. Evidently this concert company builds its contracts very lightly, and any organization thinking of employing them in the future will do well to remember this or the organization may be left in the lurch. The company even refused to pay the expenses of advertising.

## SPECIALIST SAID HE MUST OPERATE

She Took "FRUIT-A-TIVES" Instead, And Is Now in Perfect Health.

MME. F. GAREAU

153 Papineau Ave., Montreal.

"For three years, I suffered great pain in the lower part of my body, with swelling or bloating. I saw a specialist, who carefully examined me and gave me several tonics to take, which did not help me. Then he told me I must undergo an operation. This, I refused to permit."

I heard about 'Fruit-a-tives' and the wonderful results it was giving because this medicine is made from fruit juices, so decided to try it.

The first box gave great relief; and I continued the treatment, taking six boxes more. Now, my health is excellent—I am free of pain and swelling—and I give 'Fruit-a-tives' my warmest thanks."
