Happy is the man who is blessed with
good sight. To be pitted is he who is sight-
less. How fortunate the one wearing Laur-
ance's Glasses, which impart a clear and
perfect vision. But it may be there are
some to whom a Spectacle would be of no
benefit, being deficient in an optic. Their
personal appearance would seem more nat-
ural with the aid of an Artificial Eye, an
assortment of which has just been received

**JOHNSTON'S
FLUID BEEF**

Is generally looked upon as a winter beverage, when, in reality, its strengthening prop-
erties are perhaps more requisite during the hot months of summer, when our appetites
fail us—we do not feel inclined to eat anything; and yet we require something to keep up
our strength. By taking two or three cups of JOHNSTON'S FLUID BEEF during the
day, it will be found to strengthen, refresh and nourish the system, and supply in every
respect the place of meat diet.
