

POSTHUMOUS HONORS.—Whose memory is honored as that of the celebrated Prussian physician and philosopher, Christoph Wilhelm Hoffland? Throughout the whole extent of Europe, especially Germany, his name has for years been a familiar household word, and there are but few in our own continent who have not experienced the benefits of his great medical and scientific attainments. His celebrated discovery for the cure of Liver Complaint, Dyspepsia, Nervous Debility, &c., is a preparation of the greatest merit, and gives the utmost satisfaction in all cases. It is prepared, in this country, by Dr. C. M. Jackson, Philadelphia, under the name of HOFFLAND'S GERMAN BITTERS, and can be had of any druggist or dealer in medicines. John F. LET THE MARTYRS READ.—One word to Dyspeptics: You endure a living martyrdom, and none but those who have known what dyspepsia is can understand what you suffer. Now there is a remedy—an immediate, absolute, never-failing remedy within your reach, at your very door as it were. It is BRISTOL'S SASSAPARILLA. You have heard of it. Who has not? Use it and laugh at indigestion and all of its concomitants and consequences. In a week it will relieve the stuffed bosom of that perilous stuff, that renders your life miserable. The flatulency, the constriction of the stomach, the incapacity for activity, either of body or mind, the midnight restlessness and daily pangs, the headache, the nausea, the indescribable feelings which belong to dyspepsia, and to no other complaint, will pass away like shadows. Make the experiment. 350 Agents for Montreal:—Devins & Bolton, Lamplough & Campbell, A. G. Davidson, K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, and H. R. Gray.

THE ECCLESIASTICAL YEAR CONTAINS: I. The Explanation of all the Sundays and Festivals, divided into three parts—Christmas-Cycle, Easter-Cycle, and Pentecost-Cycle. II. The following extracts from letters received by the translator, Rev. Th. Noethen in Albany, prior to Feb., 1864, abundantly prove the high value of this work.

Cincinnati, O.—Most Rev. Archbishop J. B. PURCELL:—"It is a most timely and valuable addition to our library of Catholic instruction and literature. I beg to give the publication my hearty approval." Albany, N.Y.—Rt. Rev. Bishop J. McCLOSKEY:—"I commend it warmly to the patronage of the Catholics of my Diocese."

Alton, Ill.—Rt. Rev. Bishop H. D. JUNCKER:—"It is certainly a praiseworthy work. It will be to every family a source by which to obtain knowledge." Burlington, Vt.—Rt. Rev. WIMMER: "I would wish to see it in every family of the English speaking Catholics of this country."

The Ecclesiastical Year will appear in 30 numbers. The first number will be published on the 1st of April, 1864, and subsequently on the 1st and 15th of each month. Price, per number of six sheets (three double sheets) only 20 cents. Each subscriber will receive two premiums (on the additional payment of 25 cents. each) viz.: With No. 15, "SANCTISSIMA VIRGO," (The Holy Virgin). With No. 30, "ASCENSIO DOMINI," (Ascension of Christ). These splendid engravings, on account of their excellent execution, and being copies of original oil-paintings by eminent masters, are of far greater value than the small steel engravings subscribers mostly receive with similar publications. Being 22 inches wide and 28 inches high, they will be an ornament to any parlor. The Holy Virgin as well as the Son of God are in full figure, elegantly colored upon a black ground with printed symbolical border. The retail price of each engraving is \$2, but premiums, therefore, almost equal the price of the whole work. Notwithstanding, we only demand an additional payment of 25 cents for each picture for the purpose of paying import-expenses. This Work can be had of all Booksellers, Agents and News-carriers through the United States and Canada. Whoever will send \$1.20 will have six numbers of this work sent to him free of postage. No one is authorized to make any other terms. S. ZICKEL, Publisher, No. 113 Rivington Street, New York. AGENTS wanted for Towns, Counties and States; a liberal discount given. April 14, 1864.

N. H. DOWNS' VEGETABLE BALSAMIC ELIXIR. A CERTIFICATE WORTH A MILLION. An Old Physician's Testimony. READ: Waterbury, Vt. Nov. 24, 1858. Although I do not like the practice of Physicians recommending, indiscriminately, the patent medicines of the day, yet after a trial of ten years, I am free to admit that there is one medicine before the public that any Physician can use in his practice, and recommend to the public with perfect confidence; that medicine is Rev. N. H. Down's Vegetable Balsamic Elixir. I have used it myself with the very best success, and now when ever I am troubled with a Cough or Cold, I invariably use it. I can cheerfully recommend it to all who are suffering from a Cough or Cold, for the Croup, Whooping-Cough, & all diseases tending to Consumption, and to the Profession as a reliable article. I am satisfied of its excellence beyond a doubt, having conversed personally with the Rev. N. H. Down about it. He informed me of the principal ingredients of which the Elixir is composed, all of which are Purely Vegetable and perfectly safe. J. B. WOODWARD, M.D., (Now Brigade Surgeon U. S. Army.) Sold at every Drug and Country Store throughout Canada. PRICE—25 Cents, 50 Cents, and \$1 per Bottle. JOHN F. HENRY & Co., Proprietors. 303 St. Paul Street, Montreal, C.E., and Main Street, Waterbury, Vt.

Incipient Consumption and all diseases of the Throat, Chest & Lungs. Thirty-one Years Ago. This Elixir made its appearance; and even then, in its primitive and imperfect state, produced such extraordinary results that it became, at once, a general favorite. Many have made it, what it really is a FAMILY MEDICINE. For as more than half the diseases to which flesh is heir, originate from colds, so this may be considered a general preventive of all diseases, by removing the primal cause. ADULTS Should always keep this Family Physician at hand; and by its timely use save hundreds of dollars that would otherwise be swallowed up in discharging Doctors' fees.

THE THROAT, LUNGS AND CHEST, Including even CONSUMPTION. There is scarcely one individual in the community who wholly escapes, during a season, from some one, or however slightly developed, of the above symptoms—a neglect of which might lead to the last named, and most to be dreaded disease in the whole catalogue. The power of the 'medicinal gum' of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired. In this preparation, besides the virtues of the Cherry, there are combined with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe to heal, to relieve, and to cure disease, exists in no other medicine yet discovered.

WISTAR'S BALSAM — OF — WILD CHERRY Has been used for nearly HALF A CENTURY, With the most astonishing success in Curing Coughs, Colds, Hoarseness, Sore Throat, Influenza, Whooping Cough, Group, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of THE THROAT, LUNGS AND CHEST, Including even CONSUMPTION. Your obedient servant, L. J. RAICINE. Montreal, C.E., Oct. 20, 1858. S. W. Fowle & Co., Boston—Gentlemen.—Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which as slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy par excellence. Messrs. Seth W. Fowle & Co., Gentlemen—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure. You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.—Yours, P. GUITTE, Proprietor of the Courier de St. Hyacinthe. Cornwall, C.W., Dec. 29, 1859. Messrs. S. W. Fowle & Co., Boston—Gentlemen—Having experienced the beneficial results of Dr. Wistar's Balsam of Wild Cherry, in my own person and with other members of my family, in cases of severe coughs and colds, I unhesitatingly give you my testimony, believing it to be the remedy par excellence for all diseases of the throat and chest, and would sincerely recommend it as such.—Yours, &c., JOS. TANNER. FROM A HIGHLY RESPECTED MERCHANT AT PRESCOTT, C.W. I with pleasure assert that Dr. Wistar's Balsam of Wild Cherry, is, in my belief, the best remedy before the public for coughs and pulmonary complaints. Having tested the article with myself and family, in cases of severe coughs and colds, for years, with uniform and unexceptionable success, I unhesitatingly recommend it with full confidence in its merits. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which as slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy par excellence. Messrs. Seth W. Fowle & Co., Gentlemen—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure. You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.—Yours, P. GUITTE, Proprietor of the Courier de St. Hyacinthe. Cornwall, C.W., Dec. 29, 1859. Messrs. S. W. Fowle & Co., Boston—Gentlemen—Having experienced the beneficial results of Dr. Wistar's Balsam of Wild Cherry, in my own person and with other members of my family, in cases of severe coughs and colds, I unhesitatingly give you my testimony, believing it to be the remedy par excellence for all diseases of the throat and chest, and would sincerely recommend it as such.—Yours, &c., JOS. TANNER. FROM A HIGHLY RESPECTED MERCHANT AT PRESCOTT, C.W. I with pleasure assert that Dr. Wistar's Balsam of Wild Cherry, is, in my belief, the best remedy before the public for coughs and pulmonary complaints. Having tested the article with myself and family, in cases of severe coughs and colds, for years, with uniform and unexceptionable success, I unhesitatingly recommend it with full confidence in its merits.
