**Consider the Wear and Tear on Floors**

You tramp on your floors. Your children play on them. Heavy furniture is dragged over them. Liquids are sometimes spilled on them. Still you demand that they shall remain smooth, beautiful and lustrous,—unmarred and unscratched. Then choose the varnish made specially for floors: Choose ELASTICA.

ELASTICA is far more durable than other varnishes. It is the toughest, most elastic and most beautiful finish that years of scientific experimentation have been able to produce.
