

The Walls of Your Home are the constant background against which every piece of furniture must stand, every curtain and picture hang. Your comfort and enjoyment will either be heightened or diminished in some degree by the surroundings of which the walls, decorations make no small part.

Recognising this condition we have worked out some wonderfully good room lot offers for those who live within the limits of the City of Toronto, such as those given below. For our out of town friends we have prepared a catalogue containing actual samples of the papers at prices that are low indeed.

Three Prices and Three Specifications.

At 7.50, One Room Completely Papered from a long list of handsome imported papers that show all the shades ordinarily used, you may choose side walls in many patterns. These papers have no matching border, but are divided from the white moire ceiling by a good room moulding. If preferred, a fancy English paper may be used on the ceiling. Work, paper, and mouldings for any room up to 12×14 feet, 9 feet high, - - - **7.50**

A Similar Offer for a High-Class Dining Room, at 15.00, specifies burlap up to 3 feet from the base boards, finished by a chair rail. From this to the plate rail wall paper, either German or French, English or American, in tapestry, oriental, plain two tone, conventional or new art patterns, gives the character desired for the decorations. The ceiling paper extends down to the plate rail, which, with the chair rail, is of imitation oak. Complete, including all materials and labor for a room 12×14 feet, 9 feet high, - - - **15.00**
