Sissy and Oscar

Sissy Spacek's new film, *Raggedy Man*, debuted at the Montreal World Film Festival to an enthusiastic response. Sissy's performance could just lead her to another Oscar. While in Montreal she discussed her life and career in the movies. Page 14.

Brian Gortick

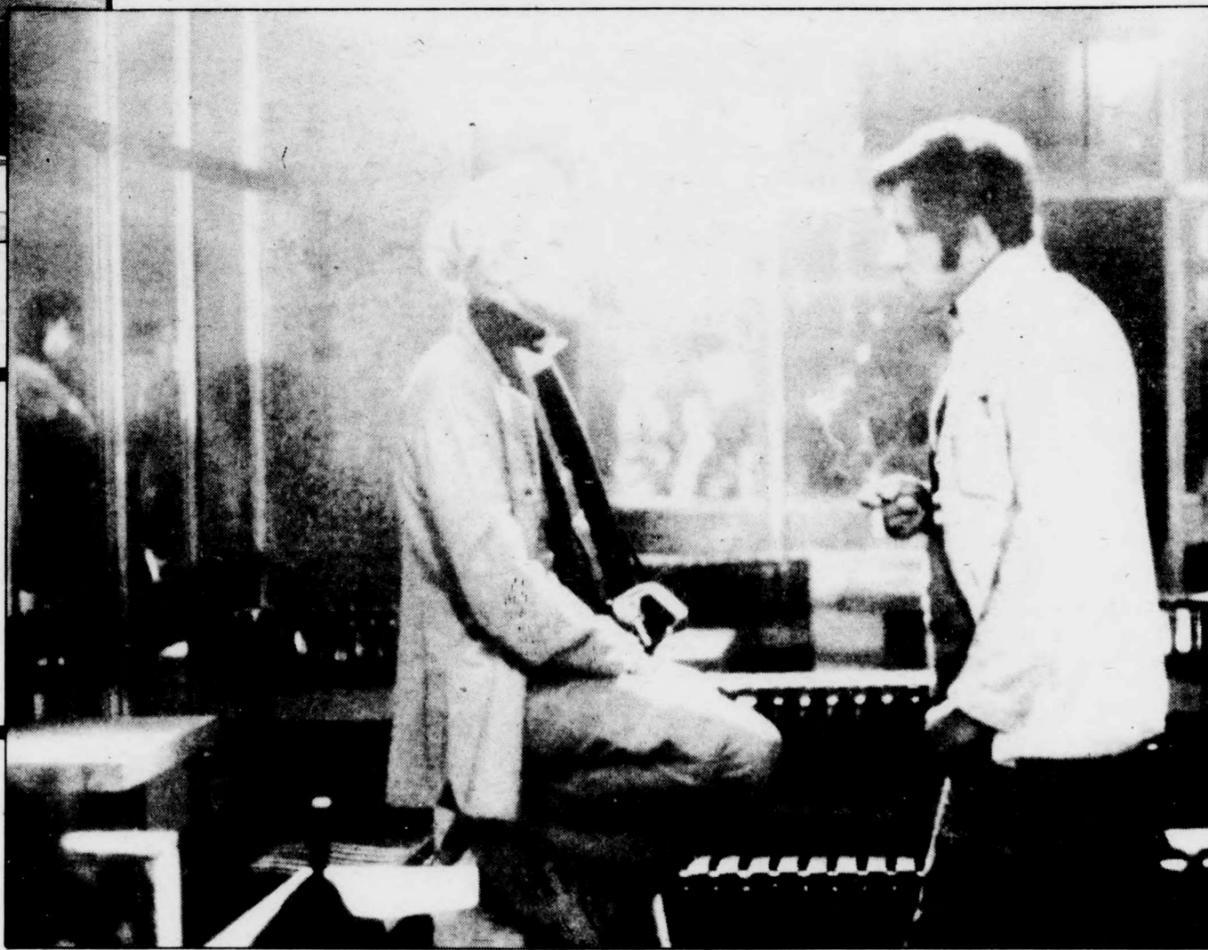

No Clay Feet Here

Hugh Hudson's *Chariots of Fire* examines two runners and their search for Olympic Gold. One of the gala features of this year's Festival. Page 12.

Perfect Polish Film

Andrzej Wajda's *Man of Iron* won the best prize at Cannes. It blends fact and fiction in showcasing the Solidarity struggle. Page 12.

A New Mann

Ron Mann has come a long way since his days as a projectionist during his early university years at York. His new movie, *Imagine The Sound*, unreels at the Festival of Festivals. Page 14.
