Rt. Honorable Arthur Meighen,
 C% Ontario Hydro Commission,
 TORONTO, Ontario.

Dear Mr. Meighen:

I, to-day, have a letter from Mr. Malcolm McNeill (son of the Late Alexander McNeill) of The Corran, Warton, saying that he has a stone quarry in Warton and that he "understands that this stone was specified at one time for the Hydro building in Toronto", and that he would like to have a chance to negotiate sale of the stone from his quarry "now that the Government is going to spend thirty-eight million dollars".

I will be glad to do anything for Mr. McNeill I can.

With kind personal regards,

Yours very truly,

WM/GH.

W. Mitchell
