Sir,

I have the honor to call your attention to the fact that no plan of the Indian Reserve of New Germany in the County of Annapolis, said to contain 1000 acres, has ever been received in this office from your Department, and that the only plan we have in connection with that Reserve shows merely the land laid out for Royal Assinault and family, a copy of which is enclosed herewith, which please return.

As it has been found necessary to re-survey the boundary lines of the Reserve in question, a copy of the Plan is required for the guidance of the Surveyor appointed to perform that duty. I have therefore the

Yours faithfully
