Department of Indian Affairs
Ottawa 18th February 1884

Sir,

I have to call your attention to the fact that you have not yet complied with the instructions contained in my letter of the 29th Ultimo to furnish a statement of the distribution of the blankets which you were then advised had been sent to your address for the most aged and infirm Indians under your charge.

You will be good enough to comply with the wishes of the Department in that respect without further delay.

I am,

Sir,

Your obedient servant.
