Sir,

I am in receipt of your letter of the 5th instant, with enclosures, on the subject of the charges made by Dr Christie for rendering medical services to the Indians of Lilloet and vicinity; and in reply I may say that the Department agrees with you that it will be well to carry out Agent Bell's suggestion and allow the doctor to render (until otherwise arranged) monthly accounts for his services. You should, however, advise Mr Bell that he should carefully supervise the expenditure.

Your obedient servant.

Secretary.
