

By E. V. LUCAS

A Wanderer in Holland

Illustrated. Cloth, 8vo, \$2.00 net

"Mr. Lucas assures us that Holland is one of the most delightful countries to move about in, everything that happens in it being of interest. He fully proves his statement, and we close his book with the conviction that we shall never find there a more agreeable guide than he. For he is a man of taste and culture, who has apparently preserved all the zest of youth for things beautiful, touching, quaint, or humorous, — especially humorous, — and his own unaffected enjoyment gives to his pages a most endearing freshness and sparkle. . . . In short, the book is a charming one." — *New York Tribune*.

A Wanderer in London

Illustrated. Cloth, 8vo, \$1.75 net

"We have met with few books of the sort so readable throughout. It is a book that may be opened at any place and read with pleasure by readers who have seen London; and those who have not, will want to see it after reading the book of one who knows it so well." — *New York Evening Sun*.

A Wanderer in Paris

Illustrated. Cloth, 8vo, \$1.75 net

Mr. Lucas in his wanderings in many lands plays the part of an intellectual loiterer, absorbing the atmosphere of the country and the soul of its people rather than that of a hustling reporter content with diagrammatic descriptions. He is as much at home in Paris as he is in his native London, and he enters into the life of the Parisians with the same intimacy and the same charm that have characterized all his previous works. The volume is profusely illustrated.
