During the period when the live stock is on exhibition a number of public sales of pure-bred stock will be held. These sales will be held under the auspices of the breeders' asso-ciations interested. A ring for public sales will be arranged apart from the

ring where the judging will be done.
At St. Louis the live stock classifications will be uniformly divided by age periods of six months instead of one year for beef cattle, swine and sheep, thus giving proper recognition to the general method of feeding for early maturity

On Saturday there was despatched from Dalmeny Home Farm a lot of twelve young shorthorn bulls to the order of Mr. W. D. Flatt, of Hamilton, Ontario. These young bulls were all of high individual merit, and of all of high individual merit, and of the best breeding. They were all got by such sires as Prince or Archers, Spicey Robin, Prince of Sanquhar, Villager, Principal of Dalmeny, Cyprus, and Proud Gift. They were railed to Glasgow, where they were shipped on the Donaldson liner Marma by this time they are well on their way to their new home. Mr. Flatt has often taken out a bigger lot, but he never took out a better lot of animals than this-North British Agriculturist
