

As Fall Nights Grow Chill

IT is a real joy in damp Fall weather to spend the long, chilly evenings by a cheery, comfort-giving Perfection Oil Heater. For that "between seasons" period when it is too early to start the furnace, yet cool enough to require heat of some sort, the Perfection proves invaluable.

Upstairs or down, it warms any room, any time, without trouble or inconvenience. There are no ashes or coal to bother with, and the house doesn't become uncomfortably hot and stuffy.

The Perfection Oil Heater is well made and good-looking. Its brass burner insures years of service and turns every drop of Imperial Royalite Coal Oil into clean, odorless heat. The wick-stop prevents smoking.

Nickel trimmings, with the drum black japanned or blue enameled.
