## "Come, Brace Up! It Cured Me and It Will Cure You."

Why do you sit there depressed by gloomy thoughts, with that sad, discouraged, haggard face, when there is within your grasp the means by which you can regain your strength, energy, ambition and happiness? It is time for you to brace up, be a man, take an interest in the good things of life. Look at me! Wasn't I in the same condition as you? Now I am happy, full of strength, and ready to tackle any obstacle. Yes, I too tried drugs, but they failed. Electricity will not fail. Dr. McLaughlin's Electric Belt cured me, and it will cure you. No weak man will ever regret a fair trial of this grand Belt—it has brought health and strength to thousands in the past year. Here is one of the many men cured:

**Thos. Bridges, Ashdod, Ont.,** says: "I have been greatly benefited by the Belt I purchased from you some time ago. My heart is much better and the rheumatism in my arm has all left. I feel improved in every respect. It has done all you claim for it. Thanking you for the interest you have taken in my case."

Isn't this alone evidence enough to convince any man that we tell the truth. Here is another:

**James Hatt, Beech Hill, N. S.,** writes:

"I am glad to tell you that your Belt has proven good. I have never felt as strong and well in my life as I do now. The pains in my chest and back are gone, and I have gained fifteen pounds in weight. I can work every day, and do not feel the first symptoms of pain in my body. It is a pleasure to say that I have at last found a remedy that would cure me of my aches and pains."

Dr. McLaughlin's Electric Belt will make you strong. It will send the warm life blood circulating through your veins. You will feel the cheerful

spark warm your frame; a bright flash will come to your eye, and a firm grip to your hand, and you will be able to grasp your friends and neighbors and feel that what others are capable of doing is not impossible to you.

I want to talk with those who have tried every other known remedy—those who have about given up trying and think that there is no cure for them. Do you think you do justice to yourself to fill your stomach with drugs day after day, when you can't see anything but temporary stimulation to them? (If you want stimulation take whiskey; it is alcohol, like the drugs, and does less harm taken in the same way.) I want to explain how vital power is restored by electricity, and I can prove to you that vital power is nothing but electricity. Then you can see that your trouble can be cured by electricity, and can understand why drugs don't cure you. Come and let us show you the only road to health, strength and happiness. No healthy person was ever unhappy, because a heart full of vitality is light and joyous and quickly shakes off the gloom and depression which is called grief. Some people are unhappy without cause. This is depression due to weakness.

I have a Special Electric Attachment which I give free to those who wear our Belt. This attachment carries the current direct to the weak parts and fills them with its warm, vitalizing power; bringing about a sure and lasting cure. Weakness, Rheumatism, Sciatica, Weak Back, Lumbago, Kidney, Liver and Stomach Trouble, Indigestion and Constipation are all quickly cured by this New Method of our applying "Electricity." Don't put off any longer. Act to-day. To-morrow may be too late. Here is one more proof: **Mr. Gardner Wilcox, Dartmouth, N. S.,** has this to say:

"I received your letter of inquiry some days since, and I believe, beyond a doubt, that my cure is permanent, as I have not felt rheumatism or catarrh, my principal ailments, since I got your Belt, nearly three years ago. I recommend it at every opportunity, and will continue to do so as long as I live, for I believe it has saved me a world of suffering. I am now 73 years of age, and hale and hearty, thanks to your Electric Belt."

It's easy to be cured my way. You put on my Belt when you go to bed; you feel a glowing warmth passing through your body, and the electric power gives you new life. When you wake up in the morning you feel bright, lively and vigorous, and you wonder where your pains and aches have gone. Our Belt has removed them, and they will never return. That's a better way than making a drug store of your stomach. And who ever saw anybody actually cured by drugs? I tell you, drugs don't cure—and if you have tried them, you know it. Nearly all my patients tried drugs first. If you haven't got confidence in my remedy, all I ask is reasonable security, and you can pay me after you are cured.

I have a book which every man should read. It tells facts that are of interest to every man who wants to remain young in vitality at any age. Call if you can; if you can't, send coupon for beautifully illustrated 81-page Free Book.

## GOSSIP.

### AGRICULTURAL OUTPUT OF NEW ZEALAND.

The number of holdings of cultivated land in New Zealand over one acre in extent has increased by 1,029 during the past year, and by 10,581 during the last eight years. This is due, not only to the subdivision of large estates, but also to the settlement of considerable areas of Crown lands. The area in cultivation during the past year increased by 515,514 acres. The Minister of Agriculture estimates the value of the production during the year, including agricultural, pastoral, and dairy products, as well as flax, at £25,000,000. The exports of these products amounted in value to £17,000,475.

### PINE GROVE YORKSHIRES.

J. Featherstone & Son, Streetsville, Ont., importers and breeders of large English Yorkshire and Essex swine, whose experience along these lines extends over a quarter of a century, and whose herd has a far-reaching fame of excellence, honestly winners in competition with the best of the breed at leading Canadian exhibitions, are just now in an exceptionally favorable condition to supply the increasing demand for breeding stock. With 25 big, choice sows in breeding, many of them prizewinners, and bred from imported stock, farrowing to their noted prizewinning sires, Imp. Dalmeny Joe and Pine Grove Chester, also a Toronto winner, and a son of that great hog, Imp. Broomhouse Beau, customers are assured of getting something to please and true to representation. Either sex can be supplied of any age, from sows bred and boars ready for service, down to youngsters a few weeks old. A perusal of the prize list, both alive and in the dressed carcasses of the bacon classes, as well as the breeding classes of the late Provincial Winter Show at Guelph, will convince intending purchasers that the Yorkshires bred at the Pine Grove farm by this firm are the right sort to breed from.

### SCOTCH SHORTHORNS BY AUCTION.

Following are some notes relative to the breeding and individual excellence of a few of the Shorthorns to be sold by Mr. C. D. Wagar, of Enterprise, Ont., at his sale on January 14th, in the village of Enterprise, Addington County, Ont. All told, there will be 28 head sold, 6 of which are imported, as follows: Winnifred 3rd, (imp.), a Wimple, by Spicy King. Belladonna 2nd, (imp.), a Belona. Airy Duchess 3rd (imp.), a Broadhooks, by Pride of All. Silver Belle (imp.), a Village Maid, by Caledon Chief. Byres Orange Blossom (imp.), an Orange Blossom, by Fitzallan. Robina 2nd (imp.), a Rosebud, by Lovat Champion. All these, together with their progeny, including several heifers and four young bulls, the get of Lord Banff's Conqueror, =41194=, a son of Imp. Lord Banff, and out of Daisy Lee, by Ivanhoe. Also the present stock bull, Star of Morning, a Cruickshank Secret, by Rosy Morning, by Merry Morning. Royally bred, he is a grand good kind, low down, very thick, a mellow, good-doing bull, a herd-header of a high order; will be sold at the sale. Among the heifers out of the imported cows is a two-year-old by Lord Banff's Conqueror, and out of Imp. Orange Girl. Another is a two-year-old by Imp. Icerne, and out of Imp. Airy Duchess. Then there are two yearlings, by Lord Banff's Conqueror, one out of Imp. Orange Girl, the other out of Enterprise Daisy; also a heifer calf by Star of Morning, out of Orange Girl. In young bulls to be sold are six, from 9 to 15 months of age, got by L. B. C., and five bull calves, from 5 to 8 months of age, got by Star of Morning. Eight of these are out of imported cows, and among them are some high-class show stuff. The Canadian-bred end of the herd belong to the Mayflower and Lady Eden tribes, the latter the tribe that has done so much good and produced so many prizewinners in the herd of Hon. John Dryden & Son, of Brooklin, Ont., the whole making an offering that for high character of breeding and individuality have seldom before been offered by auction in Canada.
