

GET A GALLOWAY

Unqualified satisfaction guaranteed, plenty of time given to satisfy yourself, and it is sold direct from our own factory to your farm with one small factory profit, so that you save from \$50 to \$300, depending on the size engine you buy. That money stays right in your own pocket and you get a better engine.

The Galloway is the most practical engine. It has built into it the engine experience of 30 years. It's the simplest, easiest understood, and therefore free from expensive stoppage for any reason.

My best proof is the fact that tens of thousands of farmers call the Galloway engine the simplest, easiest operated, and best engine they ever saw. They bought it after considering the merits of every other engine in the market, and after years of use they pin their faith to the Galloway.

You want to try a Galloway at my risk. I guarantee to ship promptly, I warrant it will arrive in good condition; I guarantee that you can operate it easily; and I promise you faithfully if in any way you are not pleased with the engine I will refund you all your money, pay the freight both ways and take the engine back to Winnipeg. Better still, I have a special proposition which I would like to make you by which you can partly or entirely pay for your engine. Write today for my new catalog.

Sixty Years of Protection In Canada

By EDWARD PORRITT

Is a book that will brush aside all the cobwebs of confusion and point out a clear course for the uplift of the farmers of the West. Many attempts have been made from various viewpoints to advise the farmers upon the Canadian tariff, but the conflicting opinions have confused and mystified rather than made the vision more clear. Mr. Porritt has written a book that stands absolutely alone. It is the most complete and enlightening history of the Canadian tariff ever written. It will tell you straight from the shoulder in an accurate manner all about the tariff—what it is—how it works—and whom it benefits. In short, the arguments presented in this book in favor of free trade will enable you to confuse the most able protectionist in the Dominion. Send for this book and learn how the tariff increases the cost of living.

The Canadian Lawyer

"Ignorance of the law excuses no man." That's law. You can't always "guess" the law. You may not have time to "study" law. Lawyers charge high fees, especially some of them. But you must know law.

This book tells in a simple, direct and plain manner "how the farmer can keep out of law suits." It will protect you against the sharp practice of lawyers, agents or any person who might like to get you into a tight place. It will help you to do business strictly in accordance with the law, without engaging a lawyer and paying him \$5 to \$10 for every little bit of ordinary legal advice. Get this book and save your time and money. Farmers are losing many dollars every year through being unacquainted with their legal rights and proper method of redress.
