## New Rooms For Old

What a transformation can be made in old rooms by finishing the walls and ceilings with

**Mellotone**

—the ready-to-use flat wall paint. The rich, harmonious effect that Mellotoned walls will give your home will delight you. You will be still better satisfied as time passes and you find that the beautiful finish holds its color and is not easily marred.

Mellotone imparts the soft, beautiful effects of water colors and gives the enduring, sanitary, washable qualities of high grade paint. The velvety, flat-tone colors make rooms attractive and homelike.

A copy of our handsome Booklet, with colored plates, entitled "The House Outside and Inside" gladly sent on request.

## GAS, OIL and STEAM ENGINES

By John B. Rathbun

Consulting Engineer and Instructor of the Chicago Technical College

This is a simple, practical and comprehensive book on the construction, operation and repair of all kinds of engines. It deals with the various parts in detail and the various types of engines and also the use of different kinds of fuel. The book is simply written and well illustrated and is a practical treatise for the man who wants to know just how to manage his engine and how to apply it to all kinds of farm work to the best advantage. It pays particular attention to Heat and Power Fuels; it defines the working cycles and thoroughly explains the practical use of the Indicator and Indicator Diagrams. Attention is also paid to the construction and adjustment of the various parts, such as Ignition systems, Carburetors, Lubrication, Cooling Systems, Governors, etc., and all parts of the engine most likely to give trouble. This "Practical Handbook of Gas, Oil and Steam Engines" is one of the best books in its line on the market and is recommended by "The Guide" for the use of all machine men. Post: \$1.00 paid
