

A Hammer and Saw are the only tools you need—and once laid they will outlast your house itself.

Hardwood Floors cost little to instal—there are no repairs. They improve with age—and improve the appearance of your household surroundings.

Hardwood Floors eliminate the weekly sweeping and scrubbing—and save Mother many hours every week in the year for recreation and other household work.

Now is the time to lay them. Send us the dimensions of the rooms you wish to floor, and let us prove to you that hardwood floors cost less than carpet in any farm house in Canada.

SCOTCH SHORTHORNS

150 High-class Young Bulls and Females

Among them "Boan Royal" of straight "Matchless" breeding. He is a winner of 1st Prize at Toronto and other leading shows; weighs 2,400 lbs. in the herd are 20 young animals sired by this great bull and several of the heifers are bred to our stock bull, "Inke of Saskatoon," son of the celebrated "Gainsford Marquis." "Right Sort Again" is a yearling bull of splendid show quality. His sire "Newton Sort" went to the States recently at a price near four figures. His sire, "Right Sort" (Imp.) is classed as one of the first half dozen sires in America. A nice two-year-old heifer of "Jilt" breeding is in calf to "Right Sort" (Imp.). "Gainsford's Heir" is a smooth, low-down calf. He is sired by "Inke of Saskatoon" and out of a big high priced cow by imported sire and dam.

Among the offering is a carload of bulls rising two years; 50 splendid bulls and heifers near one year old, and a lot of two-year-old heifers and young cows. A white yearling bull sired by Mitchell Bros' "Raphael" (Imp.) is hard to beat. Fifty of these animals were bred by men of high standing among the breeders of Ontario, a number of them are of show calibre from fashionable families and close to imported sires. Some of heavy milking strains included.

Come and look them over, or write for description and prices.
