

APPENDIX II.

The Canadian La Crosse Association

WAS constituted on the 1st of July, 1867 —“Dominion Day.” The first annual convention was held on 26th Sept., 1867, when the following rules of the game were drawn up, as well as a very clear and full set of rules for its own government.

1. *The crosse* may be of any size to suit the player, but the network must not be bagged; it must be flat when the ball is not on it. A leading or outside string above the level of the others may be used. It may rest on the top of the stick, but must not have anything under to increase the height.

2. *The ball* shall be india-rubber sponge, not less than eight, and not more than
