The Most Rev. Dr. Maclagan, Archbishop of York, aged 82 years, has resigned on account of ill health. Dr. Maclagan served in the Indian army for some time before taking holy orders, and it is over half a century since he was ordained. At the recommendation of the late Lord Beaconsfield he was made Bishop of Lichfield, and he has held his present eminent position since 1891. His Grace is a tireless worker, and a brilliant French scholar, and he still maintains his early interest in everything to do with the army. The maritime delegates to the Ottawa conference of the Dominion Bapist Church reached St. John at noon Saturday.

The resolution passed but later on the convention passed another of a more avorable nature.

When the delegates from all parts of the Dominion met on Wednesday it was discovered that the people of Upper Canada seemed to be as anxious for union as those of the Eastern and Western sections.

Owing to the strong sentiment in favor of it a resolution could have been was only by striving that they could passed asking the Church to effect the union. Under the terms of this the national body would have jurisdiction over the home, foreign and Grand church. On Tuesday evening a church Ligne missions, the publication boards, the Sunday school board and several other departments.

A convention will be called next year when it is expected the union will be effected.

The following resolution expressed the conclusions of the convention: Whereas, this convention has given two full days to the discussion of the desirability and the practicability of a union of all the Baptist churches of Canada under one organization to be known as "The Baptist Union of Can-
