DR. HALSEY'S FOREST WINE.

FROM its own merits, and great works, this celebrated remedy for general Debility, Nervous Affections, Consumptive Decline, Complaints of the Kidneys, Heart, Lungs, and, more or less, of every disease arising from impure Blood and bad habits of Society, is now in the hands of the Medical Faculty and eminent members of the Medical Faculty have sanctioned and adopted the use of it.

Dr. L. A. SYANLY, a celebrated Physician, in a letter from Princeton, New Jersey, dated November 16, 1848, declares that in all his experience he has never met with anything to compare with the Forest Wine and Pills, at the same time relating several cases of constitutional Debility and Scrofulous affections which it cured in an incredibly short time.

Among the members of the Medical Faculty in New York, who have witnessed the great results of the Forest Wine, and recommended it in numerous cases, will be found the names of the celebrated physicians, Dr. T. T. Goodman, Dr. S. I. Mott, Dr. L. D. Mott, Dr. Cheeseman, Dr. Clifton, Dr. William Brown, Dr. Martin, Dr. J. M. Mason, and others.

TESTIMONY of Johnson Burke, a highly respectable citizen of Waverly Place, New York:—

During the last three years I was obliged to keep my house nearly all the time, and was subject to the consequences of my ill health. I have nearly lost all hope of recovery, my complaint was of that stage under which "nature overcomes the use of that stage under which "nature overcomes the use of that stage under which "nature overcomes the use
