FORTY-FOURTH YEAR

His Attendants Went for a Long Stroll Yesterday Afternoon.

IS AS WELL AS CAN

The Premier's Case as Reported Over the Wire Today.

[Special to the Courier] NEW YORK, Jan. 10-New meas ures to turn the scale in the hitherto drawn fight that Sir James Whitney has been waging for life during the past week are anticipated by watchers round his bedside to-day. This morning a new factor was introduced into the situation by the arrival of Dr. F. M. McPhedran of Toronto for consultation with Drs. Pyne and Brggs who have hitherto been the patient's sole medical attendants. Dr. McFhedran treated Sir James in Tor-

It is probable that a change in the treatment or at any rate, some addiand they wished to have Dr. McPhedran to consult with.

All the physicians were very un unicative to-day Sir James is beginning to feel irritation at his confinement. Last ev-

change took place yesterday in the condition of Sir James Whitney, the Premier of Onestan, who is lying ill to the heart truther at Manhattan Holling to the bulletin issued late last night read as follows:

Tayages of industrial depression that swept the country in the last half of last year. The toll of the unemployed was taken by correspondents at various industrial centres during the pass ten days.

According to the figure.

orable as could be expected."

After issuing the announcement. left the sick room. A short time latwas taken as a good omen in itself.

Neither Dr. Pyne nor Mr. Wallis care to amplify the bulletin. While they appear hopeful, they guardedly capacity and have laid off between
