## Northern Ontario Still Needs Help

Now that winter has gripped the North, help is more urgently needed than ever. Here is a typical scene—a little boy who travels many miles for the daily supply of food, for a large family. His father is building a new house to replace the one destroyed in the big fire. In the meantime mother and the children live in an old shack on the outskirts of Cobalt.

## Knox Church Christmas Tree

The Christmas Tree and Entertainment of Knox Sunday School will be held in the school room of the church on Thursday evening December 21st. A fine program of choruses, drills, dialogues and other selections has been arranged for the evening. A short play entitled "Whose the Boss" by adult members will be one of the interesting features of the program. The children have been practicing faithfully for this annual event, and a real good time is assured for both young and old. Admission 25c. children free.

## Official Opening of New Hall

Chairman, Reeve Smith; Treasurer, Mrs. Wm. Drummond; C. S. Burns. At this meeting January 9th was selected as the date for the official opening of the hall with a banquet, entertainment and dance.

## New Drug Store

Mr. Wilfred C. Langford has leased one of the Alton stores and intends opening a Drug store about the first of the year with a high grade drug, confectionery, cigar and stationery stock at city prices. Mr. Langford has had several years of valuable experience in some of the best Pharmacy establishments in Hamilton and Toronto, which will be of considerable benefit to the people of this district. Waterdown has been without a drug store since the big fire last May, and the loss of one has been keenly felt by all.

## W. A. A. A.

At a meeting held by the W. A. A. A. on Wednesday evening it was decided to hold a mass meeting of all interested, both young and old, for the purpose of organizing for the coming season. This meeting should have been held early in the season, but like every other organization the officers have been waiting for the new Hall. Now that it is completed and about ready for occupation the above Association wish to get in on the ground floor, or other wise speaking, the Gym.

The W. A. A. A. have gone to considerable expense in having a good wood floor put in the basement of the Hall, and as other equipment must be got, it is up to the boys and girls of the village and district to turn out at the meeting as it is their interests that will be benefited. It is the intention to make this basement in the new Hall one of the best equipped gymnasiums in the County, and without the solid support of the community this will be impossible.

Last summer this organization proved to be a good thing, as our baseball teams, both Junior and Senior, were "runners up" in their respective Leagues, and they certainly advertised the town broadcast. Now it is up to both young and old to turn out and make this a bumper meeting for the physical, mental and moral welfare of the town. Township Hall, Tuesday evening, Dec 19.
