BLOODLESS WOMEN

Feel Weak, Depressed and Worn Out All The Time—Do Not Eat Well or Sleep Well.

It is an unfortunate fact that nine women out of ten are victims of bloodlessness in one form or another. The girl in her teens, the wife and mother, the matron of middle age, all know its miseries. To be anaemic means that you are breathless after any slight exertion—you feel depressed and worn out all day. You turn against food and cannot digest what little you do eat. At night you do not sleep well and in the morning you wake up tired and feeling unfit for the day's duties. Perhaps there are splitting headaches, or pains in the back or side. Often a feeling of dizziness and despondency. These are the signs of anaemia, or bloodlessness. There may be only one or two of these signs noticeable, but the more there are the greater are the ravages of trouble. There is only one way to cure anaemia, and that is by increasing and enriching the blood supply, and there is only one medicine can do this speedily and effectively—**Dr. Williams' Pink Pills.** These pills purify the blood. It is in this way that thousands and thousands of weak, ailing girls and women have been restored to joy of energy and good health through their use. Give these pills a fair trial and you will enjoy that health and strength that is the birthright of every woman. Mrs. W. H. Neff, Hughes avenue, Toronto, says:—"For several years I suffered from a weak and watery condition of the blood. At times I would be so bad that when I walked up stairs I would have to sit on the top step and rest. Sometimes my face would swell to about twice its natural size, and at other times my feet would swell so that I could not put my shoes on. Frequently I would take fainting spells, and was wholly unfitted for any work. I was under a doctor's care most all the time, and if I felt better for a time it was only to have trouble worse than before. While in this condition I was visiting a friend who had great faith in Dr. Williams' Pink Pills, and she got me three boxes. By the time I had taken these I felt so much better that I got six more boxes, and before I had taken them all I was again enjoying the best of health; had increased in weight, my appetite improved, and I have not had a symptom of a relapse to the old pitiable condition."

You can get Dr. Williams' Pink Pills from any dealer in medicines, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville Ont.

SCOTTS BAY

A quiet and pretty event took place at the home of Mrs. Manie Ellis, on Wednesday evening, May 29; when her daughter Ruth Helen, was united in marriage to Truman Alfred Corkum. The bridal party entered the parlor to the strains of Mendelssohn's Wedding march, which was nicely rendered by Miss Florance Holland. The bride was becomingly attired in white and carried a shower bouquet of carnations. Rev. E. F. Petty, pastor of the Adventist Christian Church, was the officiating clergyman. They have the best wishes of their many friends.
