"TASTY TABLE DOSES"

An eminent physician, whose schooling
has always been along the line of "strong
tonics and bitters" for stomach troubles,
now prescribes what he calls "tasty tablet
doses." Dr. Von Hest's Pineapple Tablets.
And he is only one of thousands of the medical
profession who are "getting out of the rut" and
taking the common-sense view of things, and
instead of strong doses are prescribing for stom-
ach troubles and the ills that are akin, this pleas-
ant and never failing treatment. Every day sees
the walls of prejudice crumbling, and nature
getting the recognition she merits—for nature's
cures are sure. Sixty tablets, 35 cents. 15

HUMORS

Come to the surface in the spring as in
no other season. It's a pity they
don't run themselves all of that way;
but in spite of pimples and other
eruptions, they mostly remain in the
system. That's bad.

Hood's Sarsaparilla removes them
and cures all the painful and disfig-
uring elements they cause. Nothing
else cleanses the system and clears the
complexion like Hood's.
