OUNGAH.

A very pleasant event took place at the home of Mr. and Mrs. Robert Stokes, Baldon street, on Monday evening, August 19th, it being the occasion of the celebration of the anniversary of their 50th wedding day.

The event was all the more pleasing on account of it being a surprise to those most concerned, the gathering being composed of their family and one or two others who met at the old homestead to wish them long life and many happy returns of the day.

After spending some time in pleasant reminiscences of the past, Mr. and Mrs. Stokes were seated in the parlor and the following address was read:

Dear Father and Mother,—We desire, on this the occasion of the 50th anniversary of your wedding day, to express our affection and regards for you. As your children we are thankful that God in His kind Providence has spared your lives to see the golden anniversary of your wedding day.

We realize that we, as your offsprings, are highly privileged in having you spared so that we are able to meet with you. As father, mother and children, a family unbroken. We have met to-night to show you that we do not forget you, and that we are interested in your welfare, and we trust and pray that your lives may be long spared, and that you may yet live to see the returns of many more such occasions. And as a token of our affection and love we are desirous of expressing ourselves in some tangible way in which you may have each one as a memento of the day. We now wish to present those presents to you, hoping that they may be of service as well as something to remind you of this day.

We do not wish you to accept them for their intrinsic value, but as a reminder of our good wishes for you, hoping that you may be long spared to use them and that we may be called to celebrate the diamond wedding day. Signed on behalf of the family by R. W. Stokes and Maggie Rankin. The address was read by the eldest son, Robert W., and the presentation being made by their only daughter, Mrs. W. Rankin, some very beautiful as well as useful articles, which was highly appreciated by the happy recipients of the same.

After Mr. Stokes, sr., made a very appropriate reply in behalf of himself and Mrs. Stokes. The company adjourned to the dining room, where a sumptuous repast had been prepared. After doing ample justice to the same and spending a very pleasant time together the family adjourned to their respective homes.

DIZZINESS

A great many women are subject to spells of dizziness, spots before the eyes, and a ringing noise in the head. These symptoms are commonly associated with liver "trouble" as the result of a diseased condition of the stomach and other organs of digestion and nutrition.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and the allied organs of digestion and nutrition. It cures through the stomach diseases seemingly remote from that organ, but which have their origin in a diseased condition of the stomach and digestive and nutritive system. Hence, cures of heart, lungs, liver, kidneys, and other organs are constantly effected by the use of Dr. Pierce's Golden Medical Discovery.

There is no alcohol in the "Discovery" and it is free from opium, cocaine, and all other narcotics.

Some dealers may offer a substitute as "just as good" as Dr. Pierce's Golden Medical Discovery. There's more profit in substitutes for the dealer. There's more health in the "Discovery" for you. Don't be imposed on.

"It is with the greatest pleasure I write you the benefit my mother has received from your 'Golden Medical Discovery'." says Miss Carrie Johnson, of Louisville, Kentucky, who writes: "I suffered untold misery with uterine disease and nervousness, and had a constant roaring and ringing noise in her head. After taking six bottles of Dr. Pierce's Golden Medical Discovery she was entirely cured."

When a laxative is required use Dr. Pierce's Pleasant Pellets.

S. THOMAS Business COLLEGE

Some colleges place in positions (twice as many students as they have in attendance each year. We have not yet learned how to do that. Thoroughness is the keynote in this school, and, as a result, our graduates, who are to be found in nearly every town and city of Canada, and the United States, have been thoroughly prepared for their work, and are giving perfect satisfaction to their employers. Another of our graduates has just entered upon his duties as principal of the shorthand department of a large commercial school in Wisconsin at a salary of \$900. We still have five requests for teachers on file that we cannot fill. Young people should not delay to prepare for these positions. Fall term begins Sept. 3rd.

FALL TERM RE-OPENS TUESDAY SEPT. 3

29 years of successful work is our record.

The past year the most successful in the history of the school.

One of OUR PUPILS secured good positions during the 12 months ending June 30, 1907. Results are the grand test to apply to the work of any school.

If interested, write for the handsome catalogue issued by any business College on the continent, and for a list of where these pupils were placed.

Within the past few days we have received three calls to supply commercial teachers for other colleges, besides several calls from business houses for office help.

The graduates of this school are not to be found anywhere seeking positions in vain. IF YOU WANT THE BEST, STUDENT to keep this point in view.

We pay the railway fare up to \$5.00 to students from a distance.

Good board, \$1.50 per week for girls and \$2.00 for ladies.
