A very successful lawn social was held at Valetta last evening on the lawn of Mr. Fletcher. The concert was given under the auspices of the choir of the Presbyterian church, and a large crowd was present to enjoy the first strawberry festival of the season.

After a sumptuous supper the program was presided over by Rev. Mr. McQuarry, who made a capable chairman. Songs and duets were given by Miss Mac Peate and J. D. McAlpine, and the readings by Miss Hazelle Bedford were much appreciated. Walter Dolman played the accompaniments and also several instrumental numbers. #### WAS PROMINENT FARMER

The death of Antoine Faubert, aged 67 years and nine months, occurred yesterday morning, after a few weeks' illness.

Deceased was a resident of Dover and had lived on the fourth concession nearly all his life. He was born in Montreal and came here when a young man. He was very highly respected and was one of the most prominent farmers in the township.

The late Mr. Faubert leaves a wife and four sons and four daughters. The daughters are Mrs. Marshall, Dover township; Mrs. Carron, 4th Con., Dover; Mrs. Philip Lucier, 4th Con., Dover; and Mrs. Peter Yott, 6th Con., Chatham Tp. The sons are David, Nelson and Napoleon, of Chatham Tp., and Fred, of this city. The funeral will take place on Monday at 10 o'clock, from his late residence, thence to St. Joseph's Church. Interment will be made in St. Anthony's Cemetery.

### MARKETS

The inside market was packed this morning, and was probably the largest market of the season. There was a large quantity of every sort of produce offered for sale.

The feature of all recent markets is the tenacity which butter and eggs show to remain at high prices. For the past month or so there has been little or no change in these products of the farm. Butter is still ranging around the 20c mark, and eggs are commanding 17c. Chickens—good quite a drop this morning, and good plump birds could be had at 25c.

#### A GARDEN PARTY

Dover, June 29.—A splendid program was enjoyed by the large crowd at the Dover Presbyterian Church, 11th Con., on Thursday last. The races were the first feature, and prizes were given to the successful ones.

The ball game between Chatham and Mitchell's Bay resulted in an easy victory for the country boys, the score being 4-0 in favor of the Bay team, who are hard to beat.

Supper was served in the orchard across from the church, and quite a number came on the electric cars from both Chatham and Wallaceburg.

The Regimental Band furnished music outside and an excellent program was given in the church. Miss Verlyn Lamont, a student, was very much appreciated. Miss Lamont is one of the best ever heard in these parts. In fact, every number was of the best, and all deserve praise.

The proceeds were something in the neighborhood of one hundred and forty dollars. The program was as follows:

Chairman's Address—O. L. Lewis.  
Duett—Messrs. Shaw and Dickinson.

#### A PUBLIC STEAL

At the big Conservative convention in Sarnia yesterday Mr. W. H. Bennett, of Simcoe, made a stirring and convincing address.

That the North Atlantic Company was legitimate, Mr. Bennett pointed out why it had been dissolved under a cloud, instead of at present continuing its legitimate business.

"If the secrecy of which the Conservatives complained was an ordinary matter of business policy, why were the people informed that a further probing of the matter would be followed by suicide and other terrible visitations?" asked Mr. Bennett. "The plain truth was that the North Atlantic Trading Company was a huge and costly device for taking money from the public treasury and incidentally colonizing parts of the Northwest with foreigners who could be voted in droves."

#### THE MEDICAL COUNCIL

The results of the final examinations of the Ontario Medical Council have been announced, and among the successful candidates are noticed the following from this city and vicinity:

A. Percy Miller and Joseph X. Robert of Chatham, J. C. Crookshank and R. G. Wodehouse of Blenheim, and A. C. H. Trotter of Tilbury.

The many friends of these successful candidates will join in the heartiest of congratulations. Dr. Robert and Dr. Miller are two of Chatham's cleverest young men and should do well in their chosen profession of medicine. Success to them.

The tourist's season is now on and we are advised by W. E. Rispin, general passenger and ticket agent, that he has some especially attractive tours for the present summer season, reading to all the summer resorts of Canada, including Muskoka Lakes, the Temagami District, Georgian Bay, Lake Superior, River St. Lawrence, and Gulf and Atlantic Coast points, and would be very pleased to furnish information to any intending passengers.

Subscribers who are leaving the city for their vacation will kindly notify us as soon as possible where they wish their papers sent, to avoid any break in the delivery.

Money talks, even with women, when they give.
