The tea-meeting and concert given last Monday evening, Feb. 8th, in connection with the Methodist Church at Northwood, of which the Rev. C. W. Down is pastor, proved an unqualified success in the most decided emphasis, and the managing committee deserve great praise for their splendid work. The supper was served in the hall, after which a choice program was rendered in the church! Those who took part were the Victoria Ave. Methodist Church choir, of Chatham, which rendered several excellent anthems: speeches by Rev. Mr. Malott, of Chatham, Rev. Mr. Gordon and Rev. Mr. Dawn. Vocal solos were rendered by Mr. Harry Horstead, of Chatham; vocal and instrumental solos by Miss Georgina Thomas, of Croton. Miss Evelyn Barassin, elecutionist, of Chatham, gave several choice selections, and a recitation was given by John Thomas, of Croton. Miss Brackin, of Chatham, filled the part of accompaniste in a skilful manner, and Mr. McArthur, of Chatham, very ably filled the chair. All taking part acquitted themselves in a very creditable manner and received hearty encores.

A WOMAN & PRAYER.

It is notable that in the despondency caused by womanly diseases, there seems to many a suffering woman no way of escape from pain except at the price of life itself. It would be sad to record such a story of struggle and suffering except for the fact that in such dire distress many a woman has found a way back to health and happiness by the use of Dr. Pierce's Favorite Prescription.

This great remedy for womanly ills has well been called "A godsend to weak and sick women." It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakpess. It makes weak women strong and sick women well.

Fred. Collins, trible class teacher of French's S. S. entertained his class to a grand oyster supper on Tuesday evening. Feb. 9. Mr. and Mrs. Collins are very entertaining, and the event will be memorable among those present. The scheme that he attempted and carried out was a most successful one in the way of enlarging his class and making the attendance more regular. One of his principal wishes, expressed in his address to the membrrs of the class that evening, was that there would be even more eagerness on the part of the class to maintain the attendance, which is now perhaps the largest of any rural S. S. in Iontario. As a slight token of remembrance for his past services, Mr. Collins was presented with a handsome table lamp and water set, and address by his class to which presentation he thankfully responded. After voting Mr. Collins a jolly good fellow, the company parted for home.

HOSPITAL FOR WOMEN PRIVATE,

We have used "Sunlight Soap," and we want to tell you that it is the best soap made, that's why we are writing. We found out that the Sunlight way is the best way to wash with "Sunlight Soap." At first we used to wash with Sunlight Soap in the old way as we did with common soap, but after we washed according to directions printed on the package, we would never wash the old way again. We first soap the articles, leave them to soak and then rub out lightly on the wash board. Not much to do and it makes the clothes white as snow.
