WOLFVILLE, N. S., MAY 25, 1888

Local and Provincial.

God save the Queen.
MARINE.—The schr. *The Star* arrived on Friday last to load potatoes for Mr. Walton; and is now taking in cargo.

FISHING.—Report says that large numbers of gaspereaux have been taken during the past week. We hear some complaints of illegal fishing.

ARBOR DAY.—To-day has been set apart as Arbor Day in the Wolfville public schools. The parents, and friends of the school are invited to be present and witness the exercises.

New Neck Ties, Collars, Cuffs at BORDEN'S.

TREE PLANTING.—Mr. W. J. Higgins has planted a row of ornamental trees in front of his residence, on Chapel St. We hope to be able to note more tree planting from week to week.

THE FARM.—The weather has been fine and warm this week and farmers are making good progress with their crops. A large part of the grain is now sown, and some are well advanced with their planting.

SPECKLED BRAITHES.—We extend our thanks to Messrs G. W. Munro and C. A. Partridge for a fine string of trout, caught at the Forks River on Saturday last. Those gentlemen went out on Friday and enjoyed a very successful day's sport, returning on Saturday evening.

Buy your Fishing Tackle at Prat's.

THE JUNIORS.—The Junior class of the College leave to-day on their regular annual geological excursion. The schr. *Ocean Bird* has been engaged for the trip and all the various points of interest on the Bay will be visited. The class will be accompanied by Professor Caldwell. We wish them a bon voyage.

WALLBROOK BRIDGE.—Four carloads of lumber for the new bridge to be erected at Wallbrook arrived last week from the mill of J. P. Chipman & Co. and are now piled up on the causeway leading to the present structure. It is hoped that work will be begun at once as the present bridge is in a rather dilapidated condition.

B. G. Bishop sells Greenhead lime a \$1.50 per cask.

IMPROVEMENT.—The old site of the Presbyterian church, which is now the property of Rev. Dr. Crawley, has been much improved in appearance of late. The stones have been removed and the land leveled off and plowed. When it becomes green it will add considerably to the appearance of that part of the village.

WANTED.—All kinds of farm produce, at E. C. Bishop's.

THE CHURCHES.—Rev. Dr. Sawyer conducted the Baptist services on Sunday morning, in the absence of the pastor, who was prevented on account of illness. Mr. McNeil, of Greenwich, occupied the pulpit of the Methodist church last Sunday evening. Rev. Mr. Frisgens preaching in Kentville. Rev. Mr. Ancelet will officiate in St. John's (Episcopal) church next Sunday; service, as usual, at 3 o'clock.

\$1.00 Brown at Borden's—best shoe for the money in Wolfville.

SUBSTANTIATED.—Some weeks ago we announced that Mr. F. C. Rand, of Canby, had been appointed Collector of Customs at that port. This was promptly contradicted by the *Kentville New Star*. Our contemporary the *Western Chronicle* of Saturday last, says: "We are in a position to say from reliable authority that the appointment has been made and Mr. Rand is the successful applicant for the position." The *Star* man should acquaint himself with the facts before making contradictions.

B. G. Bishop sells West's Standard Dressing for Buggy Tops. Best thing going.

PURIFICATION.—The teachers and pupils of the Seminary have lately made known their good-will towards their matron, Mrs. Balcorn, by bestowing upon her a very handsome butter-cooler and a no less handsome card receiver. Each present is of silver and is richly ornamented. The butter-cooler, which is lined with gold, is especially beautiful; and bears upon it the inscription: "Mrs. Balcorn, from Teachers and Pupils, Acadia Sem." Mrs. Balcorn, who for four years has been matron of the Seminary, resigns her position this June; and in accepting the present made her receives the good wishes of the Sem. in gold and silver.

STILL TO THE FRONT.—Little Stella Heales brought us on Thursday a pretty full-blown apple bloom, the first of the season.

SALMON.—Salmon are reported very scarce this season. The only one we have heard of being taken in the Gaspeaux was caught by G. W. Munro.

PREBYTERIAN.—The sacrament of the Lord's Supper will be dispensed in the Presbyterian church on Sunday afternoon next. To-morrow evening a preparatory service will be held in the church when Rev. Mr. Morrison, of Halifax, will preach a sermon.

B. G. Bishop sells only first-class leads, such as Brandram's Chemical Pure, and pure Oil.

STREET MUSIC.—Two musicians, a violinist and a harper, dispensed sweet music on our streets on Friday and Saturday last. As we have no band in Wolfville we know how to appreciate this sort of a treat. We would like to have more of it.

Buy Fine Shoes at Borden's. Best stock in the county.

TELEPHONE.—Our townsmen, Mr. S. P. Benjamin, is erecting a line of telephone to connect his residence with his mill at White Rock. The posts have been set and the line will be completed as soon as possible. This will be a great convenience to Mr. Benjamin and will soon repay him for the outlay.

RELICS.—Mr. Bert Stewart, of Grand Pre, found a curious relic, one day last week near the historic Colonel Noble mound. From its appearance it has evidently been buried some time. This is the third piece that has been unearthed by the young man at Grand Pre. In 1866 he found a doubloon and last year a gold dollar.

All kinds garden seeds at E. C. Bishop's

ESCAPE AND RECAPTURE.—Charles Rafuse, sentenced at Kentville for three years in the Dorchester penitentiary for aggravated assault, with eighteen months yet to serve, made his escape on Sunday afternoon last. He was sent to the farm in charge of a guard to feed the cattle, and while the guard was attending to some of the work made his escape. The alarm gun was fired and guards sent out in all directions; and he was recaptured at 8.30 o'clock Sunday evening.

Acadia Missionary Society.
At the last meeting in the term of the Acadia Missionary Society, which was held in College Hall on the evening of Sunday the 20th inst., the following programme was listened to by a large audience:—

Essay, "A few of the Benefits, Direct and Indirect, from Missionary work,"..... H. T. DeWolfe.
Reading...... Miss Dincock.
Solo...... Miss Vaughan.
Essay, "Exorcism in India,"..... Rev. J. R. Hutchinson.
Address...... Prof. E. M. Keirstead.

Among the points touched upon in the first paper may be noticed: The benefits of mission work to the heathen state; the benefits of mission work to the heathen individual; and the benefits to the Christian worker himself. The second paper brought before the minds of the audience a picture from India, showing the terrible force of superstition over the Hindu mind. Prof. Keirstead's address was particularly interesting and earnest. Addressing himself more especially to the young men who are about to engage in mission work during the summer, the call to the Home Field was dwelt upon; after which the incentives to action were named. The assurance of success and the demand for the truth were to be present to each worker; while underlying everything was the love for Him who set the example they were about to follow in feeding the hungry souls.

A Year's Experience.

After nearly a year's use of SIMON'S LINIMENT, I have proved it to be what I supposed at first it was, an excellent Liniment to have about a stable. I have used it in cases of Cuts, Galls, Bruises and Sprains on my horses, and in every case found it to give relief as soon, cleaning the cuts and galls so that they healed rapidly, and reducing the soreness in cases of sprains and bruises in a short time. Nothing has presented itself to me that so effectively relieves and prevents Horse Distemper. I have also found it of very great service, both in my own family and in the families of my men, in cases for which it is intended to be used.
