LOCAL AND PERSONAL ITEMS

On Wednesday evening of last week we enjoyed the film success "Success." The story although sort of an allegory, showing the close relationship existing between the two final twins Success and Reputation, was a remarkably good one and most cleverly carried out by the several participants. A laughable comedy was also shown. On Saturday evening one of Jack Boyle's Boston Blackie stories was shown featuring William Russell and Eva Novak. The play was a most thrilling one, having to do with prisons, convicts and jail breaks, in nearly large enough proportions to make it a blood and thunder yarn. A Pathe news and an educational reel were also shown. Read the advertising for coming attractions on the page of Hartland locals.

Lakeville Leaflets

The union services came to a close on Wednesday evening. While there was not the response that many hoped for a feeling of cooperation was brought about and the seed sown will not fail to bear fruit.

Mrs. Charles Tracey passed away on Sunday afternoon after a year's ill-ness from inward cancer. Mrs. Tracey was a member of the U. B. church where she will be greatly missed, also in the Sunday school and W. M. A. S. of which she was a life member. She was a woman of one book in which she took great delight and had a mind well stored with gospel truths. Rev. H. R. Bell preached from Heb. 11:16, a text she had herself selected. He was assisted by Rev. Mr. Miller. One son, Dr. Kenneth Tracey of Port-land, Me., Mrs. Carrie McDonald of Houlton and Eileen at home are the children surviving. One daughter, Elva, died several years ago.

VICKS FOR BABY'S COLDS

Nova Scotia Mother Swears By Vaporizing Salve

Some children seem to take one cold after another—never have a chance to build up any strength. This is apt to make them puny and delicate—just sets them back for months.

Every day more and more mothers are finding that they can best break up a cold with Vicks Vapo-Rub, the ex-ternally applied vaporizing salve. While it acts like a liniment or plas-ter, it is also inhaled as a vapor, and so gets into the throat and lungs im-mediately. The cold is often broken up over night.

Vicks is prompt, too, in croup and equally good for skin hurts and itch-ings.

Mrs. Sherman Black of 3 Silver St., Amherst, Nova Scotia, writes: "I tried Vicks Vapo-Rub on my thirteen-months' old baby, who had bronchitis. It relieved his breathing when he was choked. Vicks was also good for my other little boy who had the croup. I advise anyone who has a cold of any kind to use Vicks. I think it is the very best remedy I have ever tried, and I have tried many, for bron-chitis. I even sent to England to get medicine, but none is as satisfactory as Vicks."

At all drug stores 50c a jar. For a free test size package, write Vick Chemical Co., 344 St. Paul St., W., Montreal, P. Q.

Though Vicks is new in Canada it has a remarkable sale in the States. Over 17 million jars used yearly.

Glasville Cleanings

Mrs. Clement Perry has returned home from a visit with her mother in

Fredericton Junction.

The Missionary meeting of Glas-ville held their November meeting at the home of Mrs. Mary McIntosh. The subject under discussion was foreign missions. It was decided by a large majority of votes to donate a sum of money for the cause.

The Rebekah Lodge of Glasville presented one of their members, Mrs. Wm. Dufield, a handsome fountain pen as a pleasant reminder of the many friends she is leaving soon, when they go to their new home.

Wm. Sweet has returned home from the Tobique. Mr. Sweet judges by the little people of the wood that an easy and enjoyable winter is in store for us.

Clement Perry, accompanied by John P. Millie, is doing the threshing for the community near here.

M. A. Belyea's mill at Coldstream is busy turning out finest wheat or buck-wheat flour and feed, but not too busy to fill your order promptly.
