A Boson paper, in a not of enterprize disguised as beggars and sent out to ascertain how that class of society fares. It is thought that their success was so great that they will remain in the business.

Children Cry for Pitcher's Castoria.

We have a speedy and positive Cure for Catarrh, Diphtheria, Canker Mouth, and Head-Ache, in SHILOH'S CA-TARRH REMEDY. A Nasal Injector free with each bottle. Use it if you desire health and sweet breath. Price 50 cents. Sold by E. Lee Street.

Well, well," mused the love-lors outh, "I'm in a fix. If I married Mable people will say that I married her for her money; and if I suddenly give her up, from conscientious motives people will say that she jilted me because I am poor. I guess l'il brav opinion and propose at once.

52 5 HOW THE KOLAPORE CUP WAS

Everybody was kind to the Canadians and were glad to see us. There was great rejoicing among everybody when we won the Kolapore cup. I tell you it was a swait the Winter frosts and snow.

GIVING CANADA THE CUP pet dogs and parrots. Mrs. Flatrenter— They will be welcomed, but I draw the by 3 points. We scored exactly the same total as the mother country did last year when they won the cup. Oh, it was exciting. As to the individual shooting o' Castoria is recommended by physicians for children teething. It is a purely vegetable preparation, its ingredients are published around each bottle. It is pleasant to the tasta and absolutely harmless. It relieves constipation, regulates the bowels, quiets pain, cures diarrhosa and wind colic, allays feverishness, destroys worms.

The Canadians while at Wimbledon, Ogg certainly was the best and most successful he took all the cups. Maynard, Rogers and Armstrong, though, did spendidly, they did fine steady shooting throughout and won a large number of prizes. Rogers and wind colic, allays feverishness, destroys worms. the Canadians while at Wimbledon, Ogg allays feverishness, destroys worms.

George's and 33 half an hour afterwards in the Daily Telegraph. That was good al sleep. Castoria is the children's stendy shooting, and so it was with these McCorkle—"There was a terrible shock, which threw every passenger into the sisle. When we recovered ourselves, and went forward, we found that our train and another had—had"—McCrackle (helping him to a word)—"Telescoped." McCorkle—"No; col-Lunbof the regular service, in the match lide-oscoped."

Y., Aug. 23 .- The second attention, the gate thrown around, section of Barnum's railway train en run against, and racked until a whole route for Montreal, was derailed this day's work must be given to the job, morning, killing 38 horses and 2 camels, thus uselessly adding to the farmer's burdens.

A LEVEL HEAD.

One of the most valuable things Presbyterian missionary to Labrador, to be on any farm is a level head writes that there is great destitution there and urges that a movement be made to the man who owns or runs the farm. Such a man, by the exercise of careful judgment and forecast, will make a living one half easier than the man who works by fits and starts and very much at haphazard. The right sort of head will have suitable furniture inside it-neither too new or too old, but a judicious m'xture cf both. Experience is indispensable, J. H. Andre, in the "Country but it is folly to imagine that your Gentleman," recommends sowing experience is all you need. You ing a detriment to the buckwteat, all the experience you would be betwill keep the ground cool while the ter of having cannot be found within mode one can generally get a good away may know something that crop of rye at a cost of only seed and would be many dollars in your pockharvesting.
