

GOVERNMENT AND CITY WILL UNITE,

If Present Plans Are Carried Out,

To Spend \$100,000 on Bay Front.

Barton to Make Fight For Water.

A scheme involving the expenditure of \$75,000 by the Dominion Government and \$25,000 by the city was outlined yesterday when J. G. Sing, government engineer, as the result of the interview the Hamilton deputation had with the Minister of Public Works last week, came here and inspected the revetment wall. Mayor Stewart and the aldermen are convinced that it is a splendid proposition. The scheme is to extend the revetment wall northward as far as the head of the present city dock. This will make a re-inforced concrete pier, faced with interlocking steel piles, thirty feet wide and five hundred feet in length. The old wooden dock will be replaced with a splendid concrete wharf and between this and the new pier it is proposed to build to the east there will be a deep water slip, seventy-five feet wide. The city will extend the sewers through the revetment wall, tear down the old frame buildings and erect a new concrete building the total expense being about \$25,000. Mr. Sing will make his report to Ottawa, embodying this plan, which will be of the utmost importance and advantage to Hamilton.

The promptness of the Minister of Public Works in sending the engineer here met with the approval of the aldermen and city officials. Mr. Sing, accompanied by John M. Eastwood, the father of the revetment wall scheme, went to the city wharf at 2:30 yesterday afternoon and met Mayor Stewart, Aldermen MacLaren, Howard, Guy and W. C. Brennan, secretary of the Board of Works. An inspection of the revetment wall was made and Mayor Stewart pronounced it the best piece of construction work he had ever seen. He was loud in his praise and complimented Engineer Sing on the substantial work the department had done for Hamilton.

Mr. Sing is satisfied himself that the revetment wall is the finest piece of work of the kind on the continent. Many prominent engineers from the United States who have heard of it have communicated with him and an inspection of the revetment wall was made and Mayor Stewart pronounced it the best piece of construction work he had ever seen. He was loud in his praise and complimented Engineer Sing on the substantial work the department had done for Hamilton.

The township councillors have buckled on their battle armor, and as soon as the question of the annexation of the section on the mountain top is disposed of an application will be made to the Ontario and Municipal Board for an order compelling the city to supply the township people with water. The City Council recently, on the recommendation of the Fire and Water Committee, and, acting on the advice of the City Engineer and Solicitor, passed a resolution against granting any applications from the township for water this year on the ground that the danger limit has been reached. The township people are determined to settle once and for all a question that has been a source of constant trouble. At the same time Barton Council will make an effort to establish the right of residents in the township along the line of city sewers to connect with them.

The Toronto City Council yesterday ratified the agreement with the Hydro-Electric Power Commission, by which it agrees to take 10,000 horse power. Toronto's share of the cost if the transmission line is estimated at \$828,000, while Hamilton is expected to pay \$115,650.

Dr. Orr assured Mayor Stewart to-day that he had never told any newspaper that the Board of Health had criticised his Worship for finding fault with the

FOUR TIMES TRIED FOR LIFE, TWICE SENTENCED TO DEATH.

Petition For Pardon For Caleb Powers Charged With Conspiracy to Murder Goebel.

Frankfort, Ky., May 5.—Four times has Caleb Powers, former Secretary of State of this Commonwealth, been put on trial for his life, and at three of these trials the jury brought in a verdict of conviction. The charge against him was that he had conspired with others to bring about the assassination of Senator William Goebel, Jan. 30, 1900. Goebel then being a contestant for the gubernatorial chair.

According to the charge Goebel was shot from a window of Secretary of State Powers' office. At the time the shooting occurred Powers was in Louisville, but it is asserted he had lent his office key to others so that the murderer of Goebel could stand at the window when he fired. At the time, and at each of the trials, as well as in magazine and other articles written by him, Powers declared that he had no knowledge that

The Hope diamond is a sapphire blue brilliant, weighing 44 1/2 carats. It was at one time owned by H. T. Hope.

It is supposed to have been cut from the large blue diamond weighing 113 1/2 carats in the rough sold by Tavernier to Louis XIV.

ROSE PLEADED NOT GUILTY.

ARRAIGNED ON FOUR CHARGES IN TORONTO TO-DAY.

Miss Skitch Positively Identified the Prisoner as Her Assailant—Remanded for One Week.

Toronto, May 5.—Alex. Rose, who was arrested yesterday on suspicion of being the man who brutally assaulted Miss Ethel Skitch in Wellwood's store on Yonge street on Friday last, was arraigned in the Police Court this morning on four charges of assault with a deadly weapon. These are: Florence Colby, 326 Adelaide street west, robbed of \$20 and struck on the head with a loaded revolver on March 25th; Lucy Redden, 17 St. Patrick street, robbed of \$5 and struck with the butt of the revolver on April 25th; Ethel Skitch, brutally assaulted in Wellwood's fruit store on May 1st and Alan G. Duncan, who when asked for money in a store, at 108 John street, put up a strong fight and wrenched the revolver from his assailant.

BISLEY TEAM.

Good Lot of Shots Going and Many Prizes Expected.

(Special Despatch to the Times.) Ottawa, May 5.—The Canadian team for Bisley this summer promises to be an unusually strong one. It will consist practically of the first twenty men in the Bisley aggregate of the last Dominion meeting. The practice is to offer places to the first twenty men on the aggregate, and where one of them is unable to go his place is offered to the next man on the list. The number of men who find they cannot go is usually quite large. Last year, for instance, fifteen men refused to go and the man who stood fifth on the list was given a place. The men who are responsible for the team try to get as many as possible of the first twenty in the aggregate as the nearer the top of the aggregate the better the shot.

So far this year there are only two men from Toronto and one from Ottawa, who have written that they cannot sail with the team. There are two others who have yet to secure their employers' permission to leave for the trip, but it is not thought they will go. The remainder of the first twenty have sent in their acceptance. This guarantees a first-class team, which should return to Canada with a harvest of prizes. The team sails from Montreal on June 19 on the Victorian.

TRIFLING OUTBREAK.

New York, May 5.—Eduardo Higginson, the Peruvian Consul-General at New York, has received cable advice from his Government stating that the reported revolutionary outbreak in Lima has no importance whatever, and is condemned by public opinion.

FINE PAINTINGS.

Work of Local Artists On View This Week.

Many beautiful paintings are on view at the Art School for the spring exhibit, which opens to-morrow. They are the work of local artists, Messrs. John S. Gordon, Albert H. Robinson and Harry A. Neyland. Miss Ottilie Palm also shows some excellent work. Some beautiful and original pictures are shown. There is more individualism noticeable among the paintings than usual, the artists having exercised much freedom of thought. Some of the most noticeable of the paintings of the four contributors are: A Sunrise on the Maine Coast and a large marine, also on the Maine coast, by Mr. Neyland; a portrait of Gordon, by Miss Palm; a painting of Saint Agatha, Quebec, by Mr. Robinson; a study of nude figures in sunlight and several beautiful color paintings, by Gordon. The art rooms will be open for private view this evening, and the public exhibition begins to-morrow.

IN EASY STREET.

Guelph Has the Delusion That It Sees the End of Civic Taxes.

(Special Despatch to the Times.)

Guelph, May 5.—After being burdened for years with public utility debts, the ratepayers of Guelph are now beginning to reap the benefits and the Council last night struck a fourteen mill rate of taxation, the lowest rate in the Dominion. One item that helped the council in arriving at this rate was the report of the Auditors, Neff and Postlethwaite, showing uncollected taxes of forty thousand dollars, whereas the city collector has but twenty thousand dollars in his books for the same period. This matter caused no end of trouble for the council meeting and is still not cleared up. The Guelph Junction Railway, owned by the city will this year give twenty-four thousand dollars to the city, the municipal waterworks another fifteen thousand and the gas and electric light and street railway departments also substantial dividends. The day of no taxes in Guelph is apparently in sight.

(Special Despatch to the Times.) Guelph, Ont., May 5.—James Black, a Rockwood farmer, had his left eye crushed and his head injured seriously yesterday by being run into by a cow. An iron bar in his hand was forced into the eye, which has since been removed.

MR. JEROME

Will Rather Go to Jail Than Comply With Court's Wishes.

New York, May 5.—District Attorney Jerome said to-day that he would go to jail rather than comply with an order received from Judge Rosalsky that certain grand jury minutes be filed with the clerk of the court of the general sessions. Mr. Jerome made this statement at the hearing of charges against him before Commissioner Hand, who was appointed by Governor Hughes to take evidence.

The Eating of It.

That proves the quality and deliciousness of our pea-fed bacon and ham. It's not the ordinary factory cured. It's selected, cured from young hogs, that are specially fed, then cured in a way that produces the most delicious bacon and ham you ever tasted. It costs a little more than the ordinary kinds, but it's worth it.—Bain & Adams, 89, 91 King street east.

LECTURE AND HIS LIBERTY

Were the Good Fortune of Edward Tanner.

Stone-Throwing Cases in Police Court To-day.

Chicken Broke Old China and Had Its Neck Wrung.

Police Magistrate Jelfs gave Edward Tanner a heart to heart talk this morning and then allowed him to go on deferred sentence. Tanner is the young man who pleaded guilty yesterday to stealing sums of money from his employers, James Osborne & Son. The magistrate said he was down on any person who, in a position of trust, stole from his employer, but as the employer spoke so earnestly in his behalf in this case he would give him a chance.

Wellington Haines, who stole a gold watch from his daughter, was also up for sentence. The magistrate told him he would have to serve six months "hard" at the jail.

George Morton, 81 Walnut street south, was arrested last evening in the instance of Mrs. Jennie Edworthy on a charge of theft. This morning the case was laid over till Thursday at the request of Acting Crown-Attorney Marton. S. D. Biggar appeared for the defendant and obtained bail in the sum of \$500. The case is a very peculiar one. Mrs. Edworthy retained administration a short time ago in the will of her late husband and among other properties was some stuff pertaining to a moulding shop. The widow, it is said, gave this to Morton to sell and it is alleged that instead of selling this and keeping his 10 per cent. commission he sold it and kept commission and principal. W. L. Ross is appearing for the private prosecutor.

Boys who throw stones get no sympathy from the magistrates. He dealt with them with no light hand as a rule. This morning Charles Herman, Jockey Club, was charged with assaulting Percy Bird, a small boy, who lives near the same place. He pleaded guilty, but said that Bird instead of selling this and keeping his 10 per cent. commission he sold it and kept commission and principal. W. L. Ross is appearing for the private prosecutor.

The other stone throwing case was a complicated one. Constable Lentz summoned three young men for acting disorderly on Sunday night on Sherman avenue and the complications arose from the evidence. The three summoned were William Main, 105 Sherman avenue north, a small boy; William Cribbs, 105 Sherman avenue north, a grown up man, and Walter Hulman, Earl street, a young man about 17 or 18 years of age. Lentz said that he arrested Hulman and Cribbs while they were fighting. He heard that the young lad was the cause of the fight, as he summoned him also. This morning Hulman said that he was walking on Sherman avenue with a girl when Main insulted the girl by speaking to her. He said he kicked him and Main attempted to throw a stone at him, but he took the stone away from him. He walked away then, but when he had gone a short distance Main threw a half brick at him, which cut through a heavy cap and inflicted a scalp wound. He went back to settle the case and Cribbs assaulted him. The magistrate dismissed the case all round.

Miola Greco and John Chido pleaded not guilty to a charge of assaulting Charles Lubin. All three are foreigners and the complaint was laid by the girl for him and "beat him up." The case was adjourned for more evidence.

Ellen Cardwood, 88 Ferguson avenue north, was charged with stealing a chicken, on Sunday, from Aaron Kulek. She pleaded not guilty. "The chicken came in my parlor. Your Worship" said Ellen "and flew up on the side-board and knocked down some old china and broke it and I wrung its neck and threw it out. I wouldn't have had the china broken for anything." This was a fair statement of the case as she showed a short statement of the evidence, and as the chicken is still alive with a fair chance of recovery the Magistrate dismissed the case and told the parties to go home. He also advised Kulek to keep his chickens at home.

Since Solon, Charles Boutour and Joe Fitzler, Bay and Barton streets, were arrested yesterday evening on a charge of stealing coal from the G. T. R., near their residence. They said they wanted a remand till to-morrow and put up the excuse that the boarding boss sent them out to get the coal as they were out of work. The Magistrate granted a remand, but intimated that the excuse would not go.

Charles Clapham, Canada street, was given a further chance to send his son to school.

William Lawson, 129 Hughson street north, was arrested for being drunk last night. He is out on deferred sentence now for some trouble with his wife, and, as he started to make a clean up at the house last night, the Magistrate remanded him till to-morrow to think over what he will do.

John Slattery, Myrtle avenue, Italic Robins, Margaret street, and Sarah Finn, Jackson west, were all soaked \$2 each for being drunk.

Killed by Rooster.

Chattanooga, Tenn., May 5.—Max Crockett, jun., 15 months old, died at Lewisburg yesterday of wounds inflicted by a rooster. The child fell in the yard, and the rooster attacked him, sinking its spurs repeatedly into the child's head.

THE MAN IN OVERALLS

Poor Scott! He is certainly off to a bad start.

The License Commissioners are coming in for a lot of criticism just now, and they deserve it all. They could not have known what they were doing.

The Whitney combination at the Savoy to-night. Gee the hook.

So we are to be bribed with the promise of the Technical College. Too thin.

Was it Mr. Scott that boosted the price of the booze? I am told it was.

I am not surprised that Mr. Lynch-Staunton is to vote for the Whitney Government. He has made a very good thing out of it.

Hon. Mr. Foy should tell us to-night about the miscarriage of justice up at Orangeville.

Knocking the revetment wall is poor kind of spite.

Is it West Hamilton at the Dominion elections or a third term for Mayor Stewart?

Bets of two to one are being made that Scott won't accept.

Labor Man Berry would find it hard to tell anybody what Col. Hendrie has done for labor.

Never mind the Savoy spief; see what you can do for your candidates, Wardrop and McLemont.

The trouble is, John Milne and one or two more think they are the whole show.

No, sorry. Lynch-Staunton will vote for neither Hendrie nor Scott.

Some think the Mayor is after the Superintendency of the Hydro-Electric power job.

Mr. Scott is perhaps the most unpopular man in Hamilton to-day.

John Hoodless showed discretion. I think. A burrah doesn't always elect a man.

The License Commissioners are the talk of the town just now. I thought they knew their business.

Ask the Ontario Educational Association what it thinks of the Pyne regulations.

As I incidentally mentioned the other day, the Times is not in the fakir business. But if you want a good, reliable, straight Liberal newspaper, honest and clean, into your house, buy the Times. A great home paper.

"Berry" Seems to me I've heard the name. Say, Mike Nelligan, is he the guy that Stewart slated for your foremanship?

Geo. Lynch-Staunton lythely caroled Whitney's praises, I see. Well, he owed him some fatty. Let's see; how much did that School Book Commission job yield?

The "machine" loves Scott. Hasn't he the dough?

Why the farce of a Tory convention at all? Why not have left it all to John Milne, and saved the row?

Mayor Stewart's argument is, "Scott got licked and spent his cash in vain. He has more; he ought to get a second chance."

A TINY COLT.

It Weighed Only Twenty-Four Pounds Yesterday.

George Case, jun., James street north, claims the distinction of being the owner of the smallest colt that was ever born in Hamilton. The colt arrived on Sunday, and was weighed yesterday. It weighed only twenty-four pounds, and is not much larger than an Irish terrier. The mother is a Scotch Shetland, and is less than nine hands high. She was bought by Mr. Case for his little boy at a sale in Toronto last fall.

The tiny colt has caused much excitement among the children in the vicinity of Case's stable.

ONTARIO GROCERS.

Wholesale Guild Is In Session Here To-day

The Ontario Wholesale Grocers' Guild members gathered here in convention to-day for the purpose of discussing general business and present conditions. The members from outside the city all arrived last night or this morning, and the opening took place at 11 o'clock in room 10 at the Federal Life building. Mr. H. N. Kittson was in the chair, and delivered an address of welcome. The reading of the minutes and the appointment of a Publicity Committee, composed of Mr. H. C. Beckett and Mr. W. H. Smye, concluded this morning's business, and the convention adjourned for lunch to the Hamilton Club. The meeting was resumed this afternoon at 3 o'clock.

LIBERALS HAD GOOD WARD MEETINGS.

To Punish Anarchists

Chicago, May 5.—Extermination of anarchy is the scope of a bill drawn by Assistant Corporation Counsel Hole, which will be introduced in the Legislature to-day by Representative Albert F. Keeney. It provides that any person who shall publicly advocate by spoken or written word the killing of any person, whether in Illinois or in a foreign country, shall be deemed guilty of felony, and shall, upon conviction, be sentenced to the penitentiary.

CALL OF KNOX CONSIDERED

BY PRESBYTERIANS OF HAMILTON AND OTTAWA.

Little Doubt but That It Will Be Sustained—Exchange of Telegrams Between Presbyteries.

(Special Despatch to the Times.)

St. Catharines, Ont., May 5.—The call of the Rev. C. A. Mitchell, of Erskine Church, Ottawa, to the pastorate of Knox Church, Hamilton, was received by the Hamilton Presbytery, which is in session in Knox Church here to-day. The call came up at the morning session and was laid over until the afternoon, to permit an exchange of telegrams with Ottawa Presbytery, which also met to-day.

There seems to be no doubt that the call will be sustained.

Mr. W. A. MacKay, a student, who has been supplying at Chippewa, accepted a call from that church, the salary to be \$600 from the congregation and \$200 from the Augmentation fund, and a manse. It was desired by a number of members that Mr. MacKay should also supply St. Paul's, but he would not accept, because it would endanger his claim on the Augmentation Fund. The ordination and induction will take place on 21st May.

Rev. Mr. Cochrane, of Edinburgh, Scotland, was appointed to the pastorate of Port Colborne Church temporarily.

WANTS OUT.

Man Who Tried to Blow Up Boilers Petitioning.

Magistrate Jelfs has been asked by the Minister of Justice, Hon. A. B. Aylesworth, to report on the case of Sydney Jones, who was sent down about a year ago to Kingston Penitentiary by Magistrate Jelfs after being found guilty of a malicious attempt to blow up the boilers at the Rolling Mills. Jones had some grievance against the company for being dismissed, and closed the safety valves and the cold water supply pipes, and if it had not been for a wide awake engineer the whole place might have been wrecked and many lives lost. In his petition for release Jones states that he was an able seaman in the merchant service for some time, and also a quartermaster, and that he has recommendations for eight years' good and honest service. He has a star for good conduct, hard work and honesty from the Kingston Penitentiary, and, taken altogether, he thinks he has been punished enough. The Magistrate is just making a bare statement of the facts of the case, and will forward it to Mr. Aylesworth at once.

GOLD LOCKET FOUND

Miss Annie Munroe, Stinson street, lost a very valuable gold locket and chain and advertised for them in Monday's Times. Shortly after the paper was on the street they were returned to the Times office by Mr. William J. Elliott, of the Inland Revenue Department. Both the loser and the finder are constant readers of the Times, and enjoy a clean, up-to-date paper. The Times always gives the same uniform rich results. Advertise in it and you will see.

BACK IN ASYLUM.

The patient who escaped from the Asylum yesterday morning by jumping from a second storey window and who was caught near the G. T. R. Station at Stuart street by constables of the G. T. R., is back in his room and special pains have been taken to see that he gets no more files to open the way to freedom through the iron bars. His leg, which was sprained in the jump from the window, is progressing favorably.

SOLDIERS IN UNIFORM INSULTED THE CADETS.

Unpleasant Incident at the Stoney Creek Battlefield Consecration.

An unpleasant incident, the last of which has probably not been heard, occurred in connection with the consecration ceremony at the Stoney Creek battlefield on Sunday afternoon, when the Collegiate Cadets were made the target for jokes and ridicule from members of the local infantry corps, who stood in uniform outside the church. It is said that as soon as the procession left the church the soldiers poked fun at the cadets as they marched past behind the bishop's carriage. "School kids," and "Get back to the cradle," were a sample of the epithets hurled at them. Color-Sergeant Smye, drill instructor of the corps, stood it as long as he could and then walked back to the soldiers. "If you can be called men," he said, "have some respect for the uniform, if you have none for those who wear it."

"It was something disgraceful," said Mr. Smye, in discussing the incident. "If the insults had come from a crowd of

Workers Are Enthusiastic and Ready.

Peculiar Complication in North Wentworth.

Tories Expect Whitney to Say Something.

Liberal workers of Wards 1, 2, 3 and 4 met last night at the club quarters, Arcade Hall, for the purpose of getting the work of the campaign thoroughly under way. The meetings were all held separately, and in every case there was a splendid turnout. A most encouraging feature was the presence of a large number of young men, who had not worked in previous elections, but who were ready to get out and do any work that was to be done. Mr. W. M. McLemont, candidate for East Hamilton, was present, and had a few words of encouragement. He has entered very enthusiastically into the work, and is instilling the spirit into the young men. Chairman Jos. Kirkpatrick and Secretary W. T. Evans were also present, and had some general instructions to give.

Among the workers present the feeling is very strong that with such candidates and with such a campaign, the Liberals should be successful in both East and West Hamilton.

A peculiar complication has arisen in connection with the campaign in North Wentworth. Mr. R. A. Thompson, who has represented the Conservatives for a number of years, was in Dundas on Saturday, quite well again and anxious to get into the fray. He called on G. C. Wilson, the Conservative candidate, to arrange about joint meetings throughout the constituency, such meetings having proved a very good arrangement in last campaign. Mr. Thompson was at the meeting, but was about settled when Mr. Wilson, the independent Conservative candidate, took a hand in. He claimed the right to speak at joint meetings. Mr. Wilson positively refused to appear on any platform with Collins, and there the matter stands. It is probable that the result will be that Mr. Thompson and Mr. Wilson will hold independent meetings.

Another peculiar feature of the North Wentworth campaign is the Collins-Dickson combination. Both Collins and Dickson are ex-Mayors of the town, and both have announced themselves as independent Conservative candidates against Wilson. Lawson, however, is booming Collins' candidature. The men have not been particularly friendly in the past. Dickson is a red-hot temperance man; Collins leans to the liquor side. They are as far apart, also, in religion. Leading Conservatives say they have entered into a compact to force the party bosses to take them back into the fold on their own terms, but this both men stoutly deny. They assert that the convention at which Wilson was nominated was packed, and that the nomination was carried on in an illegal way.

Meetings for the workers of wards 5, 6 and 7 will be held in the Liberal Club rooms, Arcade building, on Thursday evening.

The Conservatives attach much importance, from a Provincial standpoint, to Whitney's visit to this city to-night. It will be the official declaration—the announcement of his platform. Many of the leading papers of the Province will be represented, and the telegraph companies have a service in Sun-Navy Theatre, where the meeting will be held. Mr. John Milne, President of the Conservative Association, will preside. Plans are laid for holding an overflow meeting in the Sun Life building, Mayor Stewart to preside and Hon. J. W. Hanna to speak.
