50 QUEBEC FAMILIES COMING

A correspondent of the Chatham Commercial writes us as follows on the prospective work at Loggieville next summer: "Everyone who has visited Loggieville knows the great colonization work done there by Rev. Fr. Lagace. The reverend gentleman is now in Montreal in the interest of his colonization and has already interested some financiers in his schemes. As soon as the proposed railroad is decided to be built by the government or by a company, the said parties will at once build a shoe shop and a shirt factory; and next summer they will start a fish business. Rev. Fr. Lagace is looking to have industries in his settlement, to be in a position to employ all his colonists, having already the demand of over fifty families willing to come and settle in Loggieville next summer."

CHATHAM MEN CHARGED WITH BURGLARY

A Chatham dispatch to the St. John Telegraph says that three men, John Cribbs, Herbert Gannon and George Walker, it is charged, broke into James McLeod's grocery store, Hill street, Saturday night and just as they were effecting a neat and clean get away, Officer Thompson came along. The men saw him and ran, but he gave chase, firing his revolver to stop them. He succeeded in collaring one. Later in the morning a second was traced to a home below town and arrested and yesterday morning Cribbs, under the impression that he could not be arrested on "Sunday, drove boldly up Water street. STRONG WORDS OF PRAISE

Mrs. (Rev.) W. H. Clarke, Stirling, Ont. writes:—"I wish to give this unsolicited testimonial to the great value of Baly's Own Tablets. Our little girl, born last February was at first very constipated. When other remedies failed we tried the Tablets and in a week she was completely cured. By the use of the Tablets she has been kept well and happy ever since." It is strong praise like this that has made Baly's Own Tablets so popular. Thousands of other mothers have said:—"Once we gave the Tablets a trial we had nothing but praise for them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

MEANING OF THE CROSS

This cross (in red) has been adopted in Canada and all over America as the emblem under which the Crusade against Consumption is carried on.

Every reader knows of the ravages of this disease; how, too often, the bread-winner of the family falls a victim, or the young man or young woman, with a promise of a happy and useful life, is stricken down.

This modern Crusade, like the one of old, is a winning fight. The death rate from Consumption in this province shows a decrease of over 25% in the past few years.

Nearly 6000 of these poor sufferers have been cared for in our Consumptive Homes in Muskoka and near Weston. To-day we have 300 patients under treatment—patients who, if they had the money, could not through fear of contagion gain admittance into other hospitals.

In the Muskoka Free Hospital alone we are now caring for 156 patients. 128 of these cannot pay a single cent for the cost of their maintenance, 15 pay 70c. per day, 1 pays 57c. per day, 12 pay 50c. or less per day.

Our Trustees, having faith in the generous-hearted people of Canada, have continued to carry on this work during the past year.

Money to pay doctors, food, nursing and caring of these sick ones, is urgently needed. Will your readers help and have the joy of sharing in a work that has the promise of the Master's reward?
