Grand Opportunity For Farmers and Horse Owners.

Owing to the wastages of war, scarcity in the horse supply is in prospect for years to come.
 The farmer was never presented with a better chance for turning his mares to good account, alike to himself and to the country.
 There is little outlay until the foal is weaned. The mare can continue to do her allotted share on the land, and for many years the demand for an animal serviceable either for draught or carriage purposes will be greater than ever.
 For the embodiment of quality and substance the horse breeder is referred to the Imported English Coaching Stallion

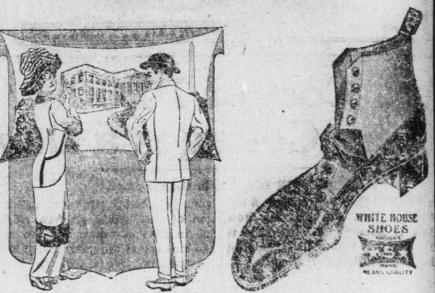

"BILLINGTON STATESMAN," 1717, standing at No. 10 SPENCER STREET. Fee \$100, with return privileges. That he will beget speed, grand road qualities and great strength there is no doubt, as he not only inherits but possesses these qualities in a marked degree. may12,12,15
